## Meaning of Periplus

The word periplus stems from Greek, meaning 'journey' and also means a circumnavigation or sea voyage around a coastline. The use of a periplus, or journal, dates back to the second century and was a document listing in order, the ports and coastal landmarks, with approximate intervening distances, that the captain of a vessel could expect to find along a shore. In that sense the periplus was a type of log, similar to the modern day ship's log.

We use the term for our Club newsletter since it is the documentation of our travels at the Club and offshore and provides a historical record for us to reminisce and share with others. It is our shared and unique history as club members.

## COMMODORE - ILENE SHELDON

It seems as though 2023 is flying by. Here we are at the end of March and the beginning of April. It has been a busy few months at PCYC.

Now that we are moving past Covid and Covid restrictions, we are looking forward to bringing PCYC back to full swing and continue with fun, family and friends.

To start, ICE BREAKERS (Happy Hour) on Friday nights is back. We started on March 24, 2023 and will continue every Friday night from 5:30 to 6:30.

Our House Committee has been working hard to get the Club in "Bristol" condition to be ready for Opening Day. Our pool renovations have begun and should be completed in time. Hopefully, Mother Nature will be kind enough to let us finish the job. They continue to work all around the Club making all necessary repairs. Thank you to Mike Haase, chair and the rest of the Committee for working so diligently.

We have several on the water events as well as social events. The TGIS racing series has begun as have the fishing tournaments. We had a whale watching event and a Club swap with Ventura Yacht Club as well. Thank you to Connie Sedacca, Vasily Belozeroff and Richard Dean for our sailing events, Scott Von Lanken for our power boating events and Mike and Gina Haase for our fishing events. Social events continued with Happy Hour and St. Patrick's Day. Fun events enjoyed by all. Thank you to Kate Thompson for continuing to organize and plan these events.

Donna Gaddis and the membership committee organized a New Member Meet and Greet followed by Line Dancing with music by Ray Ray and lessons by Doris Melillo.

*Continued on page 4*

*From page 3*

Our next big day is Opening Day on April 1, 2023. Opening Day is a long standing yacht club tradition. The celebration begins on Friday, March 31, 2023 with "Closing Night". This is the last night of the boating season for the "winter when ice fills the harbor". We continue on Saturday with our Bristol Boats beginning at 1:00 PM followed by the traditional Opening Day ceremony to welcome in the new boating season and then we celebrate with dinner and dancing.

This is such a fun day and one of the most important days of the year. It is an opportunity to visit with fellow members, view member's boats during Bristol Boats and celebrate a new season of boating and fun! The Bridge and Board, Opening Day committee and our staff hope you plan to join us in the festivities.

As always, see you at the Club!

## **VICE COMMODORE - ROBERT ALEXANDER**

Ahoy PCYC.

April is here and we are open for the season. I hope we will all enjoy the Opening Day festivities. For those of you who can't make it, please plan to attend next year. It is a fun tradition.

We have another tradition that has no long-term commitment called Officer of the Day. It is a one evening commitment and is a great way to meet new members. If you have an interest in learning more, please reach out to Sam Wolfe or check in at the front desk.

I encourage you to keep an eye on the calendar as it is always being updated. We have club swaps, cruises, races, socials and many other opportunities for you to enjoy the Club and its comradery. I look forward to seeing you around the Club or on the water.

Fairwinds

## **REAR COMMODORE - VINCE CARABELLO**

Hello Fellow Members ...

Here at PCYC, it has been great seeing so many members and their family and friends again coming out to enjoy the events we had this past month.

Some members had covid like illnesses and unfortunately had been kept away from most PCYC activities, staying away from members and guests so to avoid spreading the virus.

Returning members commented that food was good, music and dance were well performed, and the Whale Watching Excursion was well attended and enjoyed.

The future is soon to be filled with more good times as well as with the event of events here at the Club, our grand of grand events, OPENING DAY is scheduled to be celebrated at the Club on Saturday April 1. This event is the traditional event looked forward to by so many of us members and celebrated in many traditional ways.

The Committee of more than a dozen people have been working diligently at the many lengthy planning meetings on the many activities involved.

All members of the Board of Directors will attend, and all will physically participate in all the many festivities.

I encourage and really hope that you and your family and friends will enjoy the year's most beautiful and traditional day at OUR Club, The Pacific Corinthian Yacht Club !

Enjoy All, Enjoy Each Other and Enjoy Every Moment...

Vince

## PCYF - STAFF COMMODORE TOM SHIDELER

It is March 13 when I am writing this article. Monica and I have been in Florida since March 4 visiting relatives and friends from Naples to Tampa to the Villages. The insane speeds on I75 have taxed the performance of my small, rental Kia. This article is due tomorrow, and we shall be airborne tomorrow so I must get it done today or "Martha B will be bugging me."

We have had a great time, but I am somewhat clueless about what is happening at home. What I do know is that our very effective PCYF Board has kept things moving in preparation for the upcoming youth sailing season. This is wonderful, and it helps me accept the reality of my self-worth.

Recently I had the privilege of signing the paperwork of promoting Sea Scout Aaron Wolf, son of PCYC members David and Sun Wolf, to Quartermaster in the Sea Scouts. Aaron adds this honor to his Eagle Scout rating in BSA. Now I have received the honor of recommending Sailing Instructor Jacob Milder for Eagle Scout. Jacob is the grandson of past PCYC Director George Milder. It really is rewarding to be associated with such a group of quality young people. The Sea Scouts look forward to assisting with the Opening Day activities.

We are looking forward to June 19 and the start of sailing camp. We hope our much-needed rain has stopped by that time.

### PCYC INVITES AND ENCOURAGES ALL MEMBERS TO ATTEND OUR QUARTERLY MEMBERSHIP MEETINGS.

HERE ARE THE DATES FOR THE REMAINING QUARTERLY MEETINGS:

2ND MEMBERSHIP MEETING, FRIDAY, MAY 19, 6:00 PM

3RD MEMBERSHIP MEETING, FRIDAY, AUGUST 18, 6:00 PM

4TH MEMBERSHIP MEETING, ANNUAL MEETING, SATURDAY, NOVEMBER 4TH, 10:00 AM

ALL MEMBERSHIP MEETINGS ARE HELD IN THE MAIN DINING ROOM.

MARK YOUR CALENDARS AND PLAN TO BE THERE. WE NEED YOUR ATTENDANCE TO REACH A QUORUM.

## MORE PCYC ON THE WATER

Dear Club Members:

As an update on the sailing program, we successfully hosted our second TGIS winter series race on Sunday March 5. Five boats ran a course (with a spinnaker!), two finished (Cirrus and Argonat) and three DNF but all had a great time, and a warm reception at the Club afterwards. Kudos to our Race Committee – Richard Dean (Chair), Mark Slothower, Roger Hayne (thank you for taking the photos!), and thanks to Vice Commodore Robert Alexander for volunteering a committee boat.

Our next TGIS race is on April 30, and we look forward to your participation.

Please be on a look out for the bigger races in the summer – we are gearing up to the McCune Cheeseburgers in Paradise (June 3), McNish Classic (July 29), and VCORC (September 9) races. We are grateful to Cheryl McMichael, Susan Robbins, Linda Abruzzo, and Shery Keowen for their interest in helping to organize these events.

We want to alert those interested in getting on-line education on the basic race management to the upcoming US Sailing seminars in May – please check for updated postings at this link:

<https://www.ussailing.org/competition/rules-officiating/resources/find-a-seminar/race-officer-seminar-calendar/>

Lastly, we need help with committee boats, so please throw your hat in the ring. We would appreciate it, as a race does not happen without a committee boat!

Yours,  
Connie Sedacca, Vasily Belozeroff, Richard Dean

## **LADIES WHO DO LUNCH - KIMBERLY ALFORD**

Did you know that April 13 will be the Ladies Who Do Lunch Spring & Bloom Brunch?!

Commonly Asked Questions and Answers:

Q: Who are the Ladies Who Do Lunch (LWDL)?

A: We are members who volunteer our time to create fun and informative luncheons. The proceeds from the opportunity or silent auction baskets help to financially repair or replace items recommended by the House Committee. For instance, LWDL recently agreed to fund the repair of Cutie, PCYC's electric boat which is available to all members.

Q: Why should I attend a LWDL event?

A: They're a great way to meet a new friend or catch up with existing friends!

Q: Is it only open to PCYC Members?

A: All LWDL events are open to PCYC members and their guests. Guests may pay separately.

## **BOARD SECRETARY - MARTHA BASKERVILLE**

### **NOMINATING COMMITTEE "NOTICE AND CALL" COMMITTEE APPLICATIONS SOUGHT**

It's hard to imagine that your Board of Directors is already thinking about our Annual Meeting in November and the elections that will take place at that meeting. But we are!

The first step in this long election-preparation process is to establish a Nominating Committee. This is a very important committee. It is the responsibility of this committee to ensure that we nominate to leadership positions members who will continue the success of our Club.

This is PCYC's official "Notice and Call" requesting that you submit your name as a candidate for the 2023 Nominating Committee. When selecting Nominating Committee members, the Board of Directors shall consider each candidate's:

- Personal character
- Compatibility
- Experience in the Club
- Previous committee work
- Board interest

Current Board members may not serve on the Nominating Committee, nor may their spouse, registered domestic partner or co-applicant serve on this Committee unless they have a separate membership.

You are not eligible to serve on this Nominating Committee if you have served on the Nominating Committee in the past year. However, Staff Commodores may serve two (2) years in a row.

By serving on this Committee, you will be making a very important contribution to PCYC.

Let us know of your wish to be considered for this Committee by sending an email stating such to: Martha Baskerville, Secretary, at jimmarf@verizon.net. Or, you may call or email the Front Desk to request an application. An application will be emailed to you.

Your application needs to be received by 12:00 noon on Wednesday, May 17, 2023.

## SUMMER SLAM FISHING TOURNAMENT 2023

Hello fellow anglers-

Well, it's April so maybe the wind and rain will settle down a little bit. If you're able to get out and hit the water, rock fishing season is open as of April 1st. Make certain to check the new regulations. There are a fair amount of changes.

Also, this is the time of year for seabass and halibut that move around the islands. Look for the squid beds, and if you see birds working, that's a good indication there might be fish in the area.

It's also a good time to make a run out just to check out the boat and the electronics to make sure they're all working at top performance. Let's all join some of the cruises that Scott has planned this season! Remember that some of the best fish are caught in the anchorage.

See you on the water

Mike & Gina Haase - Tight Riv

Q: What happens at a luncheon?

*Ladies Who Do Lunch from page 9*

A: Each luncheon has a special theme and menu. Depending on the event, a special speaker, local boutiques, or other entertainment surprise will be present. Both opportunity and silent auction baskets are available to win!

Q: How often are the LWDL events?

A: Typically, there are five to six luncheons per year.

Q: What's so special about the October luncheon?

A: The LIVE Auction is a huge hit! LWDL donates October proceeds to St. John's Cancer Institute. This past year, PCYC was thrilled to donate over \$16K to St. John's Cancer Institute!

*Special thanks to our volunteers: Andrea Jackson, Beth Freedman, Beverly Woodgrift, Debbie Ferraro, Janet Goodwin, Kim Schalla, LaVella Consiglio, Marcia Charney, Martha Baskerville, Marilyn Miravete Smith, Mary Kersting, Nancy Klein, Rosemary Tobin, Sally Lefton-Wolfe, Stacie Murphy, Susan Haase, Susan Studebaker, Susie Friedman, Suzy Lesiak, Vicki Kersey and Yolanda Romano.*

Ladies, please mark your calendars for April 13th! Be on the lookout for more info regarding the Spring and Bloom Brunch!
