Meaning of Periplus

The word periplus stems from Greek, meaning 'journey' and also means a circumnavigation or sea voyage around a coastline. The use of a periplus, or journal, dates back to the second century and was a document listing, in order, the ports and coastal landmarks, with approximate intervening distances, that the captain of a vessel could expect to find along a shore. In that sense the periplus was a type of log, similar to the modern day ship's log.

We use the term for our Club newsletter since it is the documentation of our travels at the Club and offshore and provides a historical record for us to reminisce and share with others. It is our shared and unique history as club members.

COMMODORE - ILENE SHELDON

By the time you read this, we will have had our Annual Meeting and the election of the 2024 Board and Bridge. Change of Watch is near. So, this is my last article as Commodore. It has been my honor to serve as your Commodore. It is a badge I will wear with pride.

During the past two years, we have overcome the obstacles of Covid and have come through with much success. We have achieved and maintained maximum capacity membership with a waiting list, completed the long-awaited deck project, repaired and improved the pool and spa, painted the building, upgraded our security system and added additional lighting, as well as our security guard, to keep our members and staff safe, upgraded and added AED, purchased new patio furniture in part with donations from Ladies Who Do Lunch, added new furniture on the deck, new outdoor heaters and more umbrellas, added the TVs in Bill's Bar in part with donations from Ladies Who Do Lunch, purchased our big screen TV's for special events and to assist with ZOOM meetings, upgraded our WIFI, purchased new refrigeration in the bar, repaired and upgraded Cutie, and we have an agreement in principle for the Marina lease extension. We are working on the details of the contract which will be presented to the Board of Supervisors.

We continue to work on the grease interceptor as mandated by the City, upgrading the main entrance and adding a new hand rail to the ramp leading to the Main Dining Room. PCYF had a very successful season spearheaded by Tom Shideler. Thank you to the PCYF Board for helping to teach and encourage our young sailors.

I want to take this opportunity to thank all of the committee chairs and the committee members who worked so hard during this time to help make and keep PCYC successful and the place to gather for fun with family and friends.

Thank you to all of you, our members, for your support and encouragement during my tenure as Commodore.

Thank you to Don, Gwen and the ENTIRE PCYC staff for your help, assistance, and dedication to PCYC.

Thank you to the 2022 and 2023 Board and Bridge. Our Board meetings, at times, may

VICE COMMODORE - ROBERT ALEXANDER

Greetings from The Bridge,

As we bring the year to a close, I wanted to look back at 2023. Wow! It was a busy year! We had a lot of parties and events, sailing races, cruises, and excursions, all while making significant upgrades to the facility.

It was a lot of work and could not have been done without the help of our volunteers. I want to thank all of you who have donated your time and treasure to our club and its efforts over the past year.

Also, I want to thank our Staff for their dedication. We appreciate all of you so much. A special thank you to Don Meyers who has served this club as General Manager for the last five years. Let's all wish Don success in his next chapter!

Also, let us welcome Gwen Wilvert in her new role as General Manager!

It has been my honor and privilege to serve as Vice Commodore for PCYC 2023.

Going into 2024, we have a busy calendar already planned, with more details to come. I look forward to serving as your Commodore 2024.

I hope you all have a happy and safe holiday season, and I look forward to seeing you around the Club and on the water!

Fair Winds,
Robert Alexander

Commodore from page 4

have been long, but we have also shared many laughs. Your hard work, friendship and support have meant a great deal to me. You made this an incredible ride.

To the First Husband, my Prince, a thank you doesn't seem enough. I could not have done this without you by my side with your love and support.

Congratulations to the 2024 Board and Bridge. I wish you much success in the coming year. THANK YOU ALL AGAIN!

Looking forward to seeing you at the Club, Ilene

REAR COMMODORE - VINCE CARABELLO

MY FAREWELL

Well fellow Members, this will be my final article for the monthly Periplus magazine of the PCYC...

After much thought and discussion, I have decided to leave the Bridge and not continue into the Vice Commodore position.

However, I am anxious to and will remain on the Board of Directors for another year and have agreed to assume the responsibility of Treasurer.

I would like to thank each and every one of the PCYC members for their absolute support these past few years and especially my thanks to all those that served with me on the Board.

A special thanks to fellow Bridge Members Ilene Sheldon and Robert Alexander and to PCYC administrators Don Myers and Gwen Wilvert.

Also, a very special thanks to the committees I oversaw, especially the Parade of Lights Committee of dedicated and loving people, working diligently to win the Grand Award at this year's Parade of Lights on December 9.

And of course, the Ladies Who Do Lunch, an organization of a great, great group of great, great ladies, all dedicated to the welfare of family, club members and community. These Ladies (whom I refer to as the Luncheonettes) have absolutely no reluctance to serve for the absolute benefit of the needy and for the benefit of each and every member of the PCYC.

To all, I thank You, God Bless each of you and look forward to seeing you at the Club !!

LADIES WHO DO LUNCH - KIMBERLY ALFORD

Hi Everyone!

Ladies Who Do Lunch has had another successful year! We presented a check for \$11,000 to St. John's Healthcare Foundation - Cancer department. (See photo)

Yolanda Romano and Janet Goodwin are chairing the last luncheon for 2023: Holiday Magic on Thursday, December 14. December is a special luncheon because attendees get to channel their inner creativity as they decorate their own table.

So, together with old and new friends, let's see which table will win the prize for the most beautiful/creative table!!

We are also very appreciative of Rear Commodore Vince Carabello's support throughout the year! Vince attended most of our luncheons and fondly refers to the committee as the "luncheonettes".

The success of the committee is due to committee members volunteering their time and resources. We welcome you to be a part of this enjoyable and successful luncheon committee!

With Gratitude,

Stacie Murphy, Andrea Jackson & Kimberly

MEMBERSHIP COMMITTEE - DONNA GADDIS

The Membership Committee has certainly had a busy and enjoyable year! We continue to remain at our maximum of 400 with a healthy waiting list. Please encourage your friends and neighbors that wish to be part of an active and vibrant PCYC community to get their applications in by December 31 as the Board has voted to increase the Membership Initiation Fee to \$4,500.00 effective January 1, 2024.

The year was not all business though. The "Member Mingles" on Sunday afternoons have been a great way to meet new friends and learn more about the Club. The dates for the 2024 year are scheduled for Sundays:, April 14, June 23, August 18, and October 20.

Maybe we will have game days or wine tastings? We would love your input on fun ways to socialize.

Are you interested in joining the Membership Committee? Please check us out. We meet the third Thursday of the month. This is a great way to get to know more about the workings of the Club and have some fun.

Following the Nov. 16, 2023 Board of Directors meeting, a reception was held to honor the 2023 Board members and to welcome those recently elected to serve on the 2024 Board of Directors. It was Don Meyers' last Board meeting as PCYC General Manager and it was also the last Board meeting, after two years of service as Commodore, for Nene Sheldon.

"Thank you Don. We will miss you."

"Thank you commodore. We will miss you too."

We thank them both for their dedication and commitment to PCYC.

PCYC ON THE WATER - SCOTT VON LANKEN

From the Desk of the Fleet Captain Power and Electric.

Living in California, the boating season never really ends. However, the "high" season, from April to October has closed, and PCYC has closed another year of successful cruising. Over 200 PCYC club members participated in cruising and electric boating events this year with the most popular events being the Whale Watching Landlubber cruise in February and the extremely popular Electric Scavenger Hunt that took place in the summer.

The trips to Marina Del Rey, where we visited both Cal Yacht Club and the Del Rey Yacht Club as well as the cruise to the Santa Barbara Yacht Club, were spectacular events, with both powerboats AND sailboats participating. And, most special of all, were our Catalina trips to both Avalon and Two Harbors. These cruising events allow members to meet new friends that share a common bond of boating, in an idyllic location and setting.

Planning is underway now for the PCYC Cruising and Electric Events for the 2024 calendar year.

Trips that are being planned include:

- Catalina – Avalon and Two Harbors
- Marina Del Rey - club swap with Del Rey Yacht Club
- Santa Barbara – club swap with SBYC
- Santa Cruz Island Overnight
- Santa Cruz Island - Painted Cave
- Whale Watching in February
- Night Cruising to Ventura Harbor
- Newport Beach Boat Show

In 2024, we are also planning some educational events with our partners at the US Coast Guard Auxiliary. You can look forward to an Anchoring Seminar, a Boating Safety Seminar, and a Cruising at Night Seminar.

Lastly, planning is underway for three Electric Boat Events. I am especially looking forward to the Chili Cook off event being planned now for a date in March.

Your involvement and additional suggestions are most welcome. Please email me at director4@pcyc.org or call/text at 310 291 6352.

See you out on the water!!

PCYC ON THE WATER - VASILY BELOZEROFF

Dear Fellow Club Members:

I wanted to recount just how much we have accomplished in our sailing program since the beginning of the year, lest we lose sight of the big picture in the day-to-day operations.

I am very happy to see the outstanding Race Committee under the Chair Richard Dean and a Co-Chair and PRO Mark Slothower, both having completed the official US Sailing Race Officer certification. The committee has supported our TGIS series in the spring and in the fall and has run three signature races in the summer.

The McCune race, in addition to being a great sailing event, had a wonderful Cheeseburger in Paradise Jimmy Buffett party organized by Linda Abruzzo, and trophies sponsored by the Tarantula Hill brewery. The McNish Classic Yacht Race was a success with many classic yachts participating, the pride and tradition of our Club, so beautiful, and Cheryl McMichael did a great job organizing the event. Then, we elevated our VCORC race to be a regatta, as it historically has been, which, in sailing parlance, means a series of races, so the Race Committee arranged for two courses on the same day. Lots of fun!

We made friends with the clubs in Ventura Harbor, and we now start our races at Mandalay buoy mid-way between our harbor and Ventura, and it is already making an impact – several boats came to race from Ventura at our recent TGIS event.

Many things happen on shore to make our sailing program run smoothly. Event chairs work diligently to plan for advertisement, special menus, music, T-shirts, and trophies. In preparation for the McNish race, we work with the Harbor Master and Marina Director to secure docking space for visiting yachts like Miramar, Astor, and Brushfire. The Race Committee charts the courses and publishes the official notice of race, sailing instructions, and registration forms. All of these are now electronically available at our Race Committee bulletin board, thanks to Ron Dreher's support. Our race photographer, Roger Hayne, takes excellent photos during the races, which we show on our TVs. Then, naturally, the power boaters outfit the races with much needed committee and chase boats, which we appreciate.

SUMMER SLAM FISHING TOURNAMENT 2023

Hello fellow anglers-

Well, we are now in December, and rock fishing is coming to an end. There is still an opportunity for halibut and sea bass. Just having a good time on the water is great but just watch your weather windows.

This summer slam was a big hit with 19 participants. Our awards banquet was November 4. Justin Lostutter was the winner of the tournament and Mike Cromer came in second. We will be starting the tournament next year in March and it will go until October. There will be plenty of time for fishing for everyone.

We hope to see everyone that fished this year and hopefully a few new faces next year.

See you on the water-

Vasily Belozeroff From page 4

Oh, and we got a subscription for a boating channel on TV, so in addition to football, soccer, MMA, and golf stuff, we can watch boating shows in our Bill's Bar!

The schedule of races for 2024 has been agreed on with the rest of the local clubs, and will be published in the next Periplus – just know that the sailing program and the Race Committee is fully charged and ready to make the next year an exciting sailing adventure at PCYC.

In the end, as I reflect on this year, I see many new friends that came into my life by way of our Club. I am grateful for that and look forward to the next year.

Vasily

PCYF - STAFF COMMODORE TOM SHIDELER

Pacific Corinthian Youth Foundation (PCYF)
Sea Scout Ship 9201

We have just a couple of weeks to finish the remaining administrative tasks of the year. Operating the actual sailing camp in the summer is much more rewarding. Attached are a couple of photos that remind us of that. We now know that the 2024 sailing camp will start on Monday, June 17. Again, we plan to have four two-week sessions.

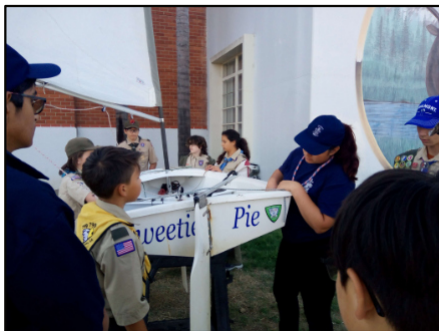

If you have relatives or friends who have youth ages 8 through 18, who might be interested in this great experience, please let them know. Our website has not yet been updated for 2024, so if you would like to have more information now, please send your questions to pcyfsailing@gmail.com.

I again want to remind you that we hope you will consider including PCYF in any year-end plans for charitable giving. All donations to PCYF are tax deductible.

Sea Scout Ship 9201 has been very active this past month. The ship provided two turn-boats for the Halloween Boat Parade. The main "ashore" activity was assisting the Ventura County BSA with the merit badge challenge involving boating held at the Elks Lodge in Ventura. There were 150 Ventura scouts present. We now have some youth active both in the sailing camp and the Sea Scouts. We are looking forward to another good year.

WINTER HAPPENINGS IN THE SANTA BARBARA CHANNEL
RON DREHER DIRECTOR, RON@TMREP.NET

Ahoy, PCYC members, sailors, and cruisers! The winter solstice is not far away. This year it falls on December 21. I, for one, like the winter solstice. Why? It means the days will start getting longer.

It also means the California grey whale migration will pass thru our waters. But wait! There is more! The winter brings another of mother nature's venues to behold. The king tide, bringing extreme high and low tides.

I have written about the California grey whale migration in the past. Approximately 20,000 whales passing thru our area on their way to their winter breeding grounds in Mexico. It is the longest mammal migration on the planet. On the way down to Mexico, the whales follow accepted rules of the road protocol and stay to the right side of our channel. You will have the best opportunity for a sighting on the south side of Santa Cruz Island, the gap between Anacapa and Santa Cruz islands, and the south side of Anacapa Island. Be sure to give the whales plenty of room if you do go.

The king tide is a cosmic event. The dates this year for the king tide are January 11-12, and February 9. Aye Tides shows a high tide of 6.8 feet at 08:30am and a low tide at 02:10am and 3:36pm. It looks like tide pool exploration opportunities are best on January 11 and February 9 around 3:30pm. Check the tide tables.

Get out and take a boat ride , go to the beach and observe the show.
