Meaning of Periplus

The word periplus stems from Greek, meaning 'journey' and also means a circumnavigation or sea voyage around a coastline. The use of a periplus, or journal, dates back to the second century and was a document listing in order, the ports and coastal landmarks, with approximate intervening distances, that the captain of a vessel could expect to find along a shore. In that sense the periplus was a type of log, similar to the modern day ship's log.

We use the term for our Club newsletter since it is the documentation of our travels at the Club and offshore and provides a historical record for us to reminisce and share with others. It is our shared and unique history as club members.

COMMODORE - ILENE SHELDON

Hope everyone stayed dry and warm during our very wet January. Hopefully, all this rain and snow will help our drought.

We've started the year with some great events. Our first Happy Hour with Theresa Russell was a huge success. Everyone had fun eating, drinking and dancing to the music.

Thank you to Graham Wilson for bringing back the Mermaid Inn. It was a fun event and great show. We're looking forward to the next one.

We had our traditional Blessing of the Fleet to keep all our boaters safe from harm while on the water. We wish all our boaters a safe and successful boating year.

This month starts with our Valentine's Day Dinner and continues with a Super Bowl Sunday. Join us to watch the Big Day. We'll be celebrating Mardi Gras at Happy Hour. Join us and "Laissez les bon temp rouler".

Our committees are getting busy working on events for the year. If you would like to be part of the planning, call the front desk. We will provide your information to the committee chairs.

Calling all sailors...Our Race Committee has scheduled great races for the year. If you would like to race, crew or be part of the event contact Connie Sedacca or Richard Dean. Watch the Periplus and your email for cruising and electric boat events. Landlubbers welcome!

The 1st Quarterly Membership Meeting is Friday, February 17, 2023, at 6:00 PM. We need a quorum, so we need you.

Looking forward to seeing everyone at the Club,
Ilene

VICE COMMODORE - ROBERT ALEXANDER

Ahoy PCYC.

Looking back for moment, I would like to thank and congratulate all of those who helped with Parade of Lights. This includes the decoration of the club and the boats.

Director and Fleet Surgeon Marley Yokaitis did a fantastic job working with Marji Miller to develop and execute the PCYC Design for "Let it Glow 2022" Parade of lights. Staff Commodore Don Yokaitis was so generous offering his boat as our vessel for decoration and entry.

I am Happy to report that we won first-place again!! Again, a HUGE THANK YOU to all of you that helped out this year.

Looking to the future, we have a lot of fun events planned. One very important event is Opening Day Scheduled for April 1st. No fooling! This is a ceremonious tradition that I hope you will find time to attend.

As a member of the 2023 Board and Bridge, I ask that you continue to find ways to meet fellow members and get involved.

Farewell for now.

Robert Alexander Vice Commodore 2023

REAR COMMODORE - VINCE CARABELLO

Greetings Fellow Members, hoping you all have enjoyed your Holidays and are all Healthy and staying that way at this time of the year.

My calendar is on its way to accepting the many festivities planned and being planned for this New Year 2023, and all seem to be well created and interesting to say the very least. Not only in house festivities but those on the water as well.

I give much credit and THANK those Committee Members who put aside their time to work on the various needs of providing a memorable experience here at the Club House and/or out on the Water. They are tireless workers, all Members of the PCYC Club here to enjoy and share the enjoyment with their friends and family.

I encourage any one of our members to seriously consider getting on one of our various Committees and to enjoy the friendship, and the personal rewards of being socially and increasingly involved with fellow members.

Enjoy , Enjoy, Enjoy 2023 ...

All the very best,
Vince

MEMBERSHIP COMMITTEE - DONNA GADDIS

What is the number one question that the Membership Committee is asked? The answer is "How do I meet new people?". This isn't always easy! PCYC is proud of the long tradition of founding members and many of us have been here for more than twenty years. We have been through a lot together - we have lost friends, shared adventures, and in general have felt the camaraderie that makes you comfortable and close. Some of us find it easy jumping right into activities. When we first joined we worked on Parade of Lights before we even had a dinner! This year we are committed to embracing new members - especially those that may not have found their groove in various club activities.

Rayray and the Posse

Our first event of the year is a New Member Orientation on March 18th from 3pm to 4pm. Members #2223 and after will be treated to a complimentary mixer where they will get to know the Bridge, Board and Committee Chairs. But that's not all! We need everyone's help. From 4pm to 7pm Rayray and the Posse will perform in the dining room. We chose this band because teaching new members how to line dance or inviting them to your table will be the fun "Post COVID" icebreaker we all really need! Please make sure to make dinner reservations. We promise it will be a fun evening with surprises!

SUMMER SLAM FISHING TOURNAMENT 2023

Hello anglers-

Well, we're in the middle of winter so there's not much to do besides get our boats ready for springtime. It's time to do all the maintenance so when the fishing starts, you'll be ready to go.

One other note is to be sure to keep your batteries up. I saw a boat sink in the harbor. With all of this rain we are getting I believe his pumps weren't working.

Be sure to check the regulations on rockfish. March is closed to fishing and the depths have changed where you can fish.

On March 18th at 5 o'clock in the Crow's Nest we will be having the captains meeting. We will welcome all anglers at all levels. We are always willing to help you out with whatever questions you may have and where the fish are biting.

The tournament will begin on March 25 and goes until November 1st. Plenty of time to go out fishing and it's always great to tie it in with the PCYC cruises.

See you on the water-

Mike & Gina Haase
