## Meaning of Periplus

The word periplus stems from Greek, meaning 'journey' and also means a circumnavigation or sea voyage around a coastline. The use of a periplus, or journal, dates back to the second century and was a document listing in order, the ports and coastal landmarks, with approximate intervening distances, that the captain of a vessel could expect to find along a shore. In that sense the periplus was a type of log, similar to the modern day ship's log.

We use the term for our Club newsletter since it is the documentation of our travels at the Club and offshore and provides a historical record for us to reminisce and share with others. It is our shared and unique history as club members.

## COMMODORE - ILENE SHELDON

Summer is in full swing. June was busy with the Ladies Who Do Lunch, the Whiskey Event featuring Whistle Pig Whiskey, and Father's Day.

It's July Fourth, fireworks are back in the harbor and PCYC is celebrating the **Red**, White and **Blue** all weekend. We will be open on Monday July 3 and Tuesday July 4. We will have special menus on Monday and Tuesday and music on the Fourth with the Valley Boys. Join us at PCYC to celebrate the July Fourth weekend with family, friends and fun!

We will continue the party with a Wine Tasting on July 7 in the Crow's Nest from 5 PM to 7 PM.

The summer will be filled with many events including sailing, cruising and social. The McNish Classic, a long standing tradition which honors our member Dick McNish is scheduled for the end of the month. After the race, the celebration continues with music, food, and of course, the Award ceremony.

Keep watch on your email as well as the Periplus for updates on all of our summer events. It's shaping up to be a fun summer at the Club.

We need you, our members. It's the time of year when the Nominating Committee starts the search for new Board members. If you are interested in applying for the Board, you can obtain the application from the Front Desk or click on the link in the email.

Our on-the-water equipment is ready for use. Remember to make a reservation so the equipment will be ready for you and our Dock Attendant will assist you.

I look forward to seeing you at the Club.

Cheers to the **Red**, White and **Blue** and the USA!

Ilene

## VICE COMMODORE - ROBERT ALEXANDER

Ahoy from the Bridge!

Pacific Corinthian Yacht Club Needs Your Help!

Pacific Corinthian Yacht Club (PCYC) is a non-profit organization that provides a variety of sailing, boating, and social activities for our members and guests. We are committed to providing a safe and enjoyable environment for all, and we rely on the support of member volunteers to make this possible.

There are many ways to contribute here at PCYC. You can help with:

- Social activities
- Committees
- Event planning and execution
- Leadership by joining the Board
- And more!

No matter what your skills or interests, we have a volunteer opportunity that could be just right for you.

Being a volunteer at PCYC is a great way to give back to our community, meet other members, and have fun. We would be grateful for your support.

To learn more, please visit our website or contact me at [vicecommodore@pcyc.org](mailto:vicecommodore@pcyc.org). We look forward to working with you.

See you around the Club or on the water.

Robert Alexander  
Vice Commodore '23

## **REAR COMMODORE - VINCE CARABELLO**

Hello Everyone ...

Hope all are well and anticipating the soon to arrive Summer and all the gifts the summertime provides.

Lots of good things will be going on here at PCYC, including a good number of boating activities. Already completely planned are advertised trips and races to various water locations some near and others somewhat far.

Here at our club house, it's time to be looking forward to the traditional summertime fun and various activities all will certainly enjoy.

The swimming pool and spa have just both been completely reworked and much improved in appearance and operation. A completely newly refurbished interior was installed with additional tile work to enhance the appearance of the entire section of the pool deck. Also addressed, was replacing some of the water related equipment which will further improve operations. Recent comments of members and their guests using the pool and spa have been very complimentary and expressed their enjoyment.

The decks on all levels of the club house and their furnishings are in good condition. Some tables and chairs are new and have already been used by members, all enjoying their breakfasts, lunches, and dinners outdoors.

There are additional plans for summer holiday events and I understand, that the Ladies Who Do Lunch will be offering an exciting summer production which will be specially planned for the enjoyment of all.

Looking forward to seeing you !!!!

## **BOARD SECRETARY - MARTHA BASKERVILLE**

### **NOMINATING COMMITTEE "NOTICE AND CALL" 2023-2024 BOARD OF DIRECTORS APPLICATIONS SOUGHT**

This is PCYC's official "Notice and Call" requesting that you submit your name as a candidate for the 2023-2024 Board of Directors.

When selecting Board members, the Nominating Committee shall consider each candidate's:

- Personal character
- Compatibility
- Experience in the club
- Previous committee work
- Board interest

By serving on the Board of Directors, you will be making a very important contribution to PCYC. Let us know of your wish to be considered for the Board by sending an email stating such, to:

Martha Baskerville, Secretary, at [jimmarf@verizon.net](mailto:jimmarf@verizon.net), or you may call or email the Front Desk to request an application. An application will be emailed to you. Your application needs to be received by Monday, July 31, 2023.

*Application on page 17*

## **McCUNE RACE 2023**

## PCYC ON THE WATER - SCOTT VON LANKEN

From the Desk of the Fleet Captain Power and Electric.

Summer has yet to arrive in Channel Islands. May gray. June gloom. However, it IS Boating season and PCYC is here to help get YOU out on the water!!

Our recent trip to Marina Del Rey, over Memorial Weekend, is a good example of the types of cruises we plan. Ten boats made the journey and were split between Cal Yacht Club and Del Rey Yacht Club, where we had reciprocal privileges at both. In fact, we had fantastic dinners at each club. The weather allowed us to get out and explore on bicycles with a ride up to Santa Monica on one day and down to Manhattan Beach on another day. Others, kayaked around the harbor, played pickleball and did some shopping in the nearby Fisherman's Wharf. A group happy hour with cocktails overlooking the harbor rounded out the weekend.

Join us for upcoming Cruises.

July 13-19 Catalina (Two Harbors)

August Santa Cruz

September Long Beach (rescheduled to Labor Day weekend)

October Catalina (Avalon)

It's easy to participate. To sign up for any of the events:

1. Call the Front Desk
2. Sign up on the Bulletin Board downstairs
3. Send an email to [director4@pcyc.org](mailto:director4@pcyc.org)

See you out on the Water!!

Scott Von Lanken

Fleet Captain Power and Electric

## MEMBERSHIP COMMITTEE - DONNA GADDIS

Hi Everyone!

Life is Better at PCYC! A simple phrase that so reflects how blessed we all are to be members of this beautiful yacht club!

The Membership Committee wishes to celebrate that theme in honor of our 48<sup>th</sup> summer in the beautiful Channel Islands Harbor. Join us on Sunday August 6, 2023, from 2 PM to 4 PM with our first annual Member Mingle Fun Bingo.

This FREE event for ALL PCYC members will have "regular bingo" with lots of surprises. Huge clue...the more you know about the history of PCYC and yacht clubs in general, the more "bingo cards" you will receive. Nautical knowledge will give you extra chances to win fabulous NEW PCYC merch! No celebration would be complete without party favors – and this event is no exception.

So, gather your family (including the kids!) and join us to meet, mingle, and of course yell **BINGO!**

# PLAN TO ATTEND

B	I	N	G	O
13	29	38	51	
4	20	32		65
7	19		55	70
10		34	46	72
	22	41	47	67

*PCYC Member Mingle &  
Free Bingo Bonanza*

SUNDAY AUGUST 6

2:00PM TO 4:00PM

*Family Friendly. Compete for "fabulous" prizes  
& meet new friends!*

## PCYF - STAFF COMMODORE TOM SHIDELER

This article was written just four days before the beginning of Session 1 of Sailing Camp. There are 38 students enrolled in that session. That is a real fleet! The good news is that we are better equipped with trained and certified instructors than we have been for some time. This required these instructors to do a lot of work, in addition to their regular schoolwork. I think we are off to a good start.

The column-painting under the bridge required some quick and intense moves, but most everything got back in place in time for the season to start. The Sea Scouts have been very productive in earning merit badges of their own through learning and demonstrating more skills. They also have helped the Ventura County BSA Scouts earn their water-related badges. Sea Scout Ship 9201 has been asked to serve as Honor Guard at the upcoming Command Change of Watch at the local Coast Guard Station. This is a real honor for our Scouts.

Tom Shideler

## SOCIAL COMMITTEE - DIRECTOR KATE THOMPSON

We will have some great events planned for the Fourth of July Weekend! Looking forward to seeing you at some or all of these:

**July 1** - Happy Hour with the fabulous band Nautical Thrust

**July 4** - Come celebrate with us as we will have a special menu. Cheer on the annual Harbor Electric Boat Parade! Music by the Valley Boys and stay and watch the Fireworks.

**July 28/29** - McNish Classic Sailboat Race

More information will be emailed as per usual. Until then, I look forward to seeing you around the Club!

Cheers, Kate

## LADIES WHO DO LUNCH - KIMBERLY ALFORD

### LADIES WHO DO LUNCH – JUNE 8, 2023

The main dining room of PCYC was a sea of Red, White and Blue and many Flags for the Ladies Who Do Lunch Committee June luncheon to "Celebrate our Flag and Celebrate our Local Heroes". A special welcome and thank you to all the PCYC flag officers, directors and gentlemen who joined us for this special event.

Our two amazing and highly decorated guest speakers were U.S. Navy Captain Robert "Barr" Kimnach, III, Commanding Officer of U. S. Navy Base Ventura County, home to Point Mugu Naval Air Station and Sea Range, Port Hueneme, home of the West Coast Seabees, and San Nicholas, Island, and the largest employer in Ventura County with over 24,000 employees and more than 4,000 active military personnel.

Capt. Kimnach gave a detailed briefing on the NBVC Operation Fleet Support, Port Operations at Port Hueneme, partnerships with Oxnard Harbor District and future plans for Aegis Laboratory, Unmanned Surface Vessels and Point Mugu Air Operations and the 48,000 sq.ft. Coast Guard Air Station Hangar at Point Mugu currently under construction with estimated opening in August 2023. He also outlined the NBVC partnership with The Nature Conservancy to protect 2,500 acres of California coastal wetlands with 100,000 sea lions, 50,000 elephant and harbor seals and other archeological sites.

Capt. David J. Katz, Los Angeles County Sheriff Dept. Reserve Deputy, with over 33 years active service and Team Leader of The Malibu Search and Rescue Team. He is the most decorated reserve deputy, having been awarded two Medals of Valor and the Award for Search and Rescue Person of the Year and serves as the Team's public information officer. Capt Katz and his team perform their services for FREE as they are ALL VOLUNTEERS. He also described his experience as the Operations Leader of the horrific helicopter crash that took the life of Kobe Bryant and 8 others in Calabasas in January 2020.

Many thanks to all members who donated their time, beautiful baskets and silent auction items. Special thanks to Melinda Horwith's family for donating the Reagan Presidential Library memorabilia and to STYCH for the custom Opening Day suit. We appreciate Stacie Murphy for her continued support in providing all of the LWDL specially themed cookies and Andrea Jackson for her endless supply of decorations.

With Gratitude,  
Mary Kersting, Janet Goodwin and Kimberly Alford

# Ladies Who Do Lunch

## Celebrate our Flag & Celebrate our Local Heroes

## SUMMER SLAM FISHING TOURNAMENT 2023

Hello fellow anglers-

It's July, and the water is warm and the wind is stopping. The sun is starting to come out. It's time to go out and start catching some fish. This year has been great for Sea Bass, Yellowtail and Halibut.

It is generally July when the Calico Bass turn on. If you're cruising to Catalina doing between six to ten knots, you can put a cedar plug and a tuna feather out and you have a good chance of catching a Tuna or Dorado.

This year the Summer Slam Tournament is going to sponsor a kids fishing tournament on Saturday, August 26. The tournament is open to all club members. Please bring your kids, grandkids, nieces and nephews. It will be a fun day. The tournament will start at 8 AM Saturday to 4 PM. There will be an awards ceremony to follow for the kids at the pool with hotdogs, hamburgers and chicken tenders. The ages are from newborn to 16. There will be a sign-up sheet on the bulletin board next to the downstairs men's restroom.

See you on the water-  
Mike & Gina  
Tight Riv

## **PCYC ON THE WATER - VASILY BELOZEROFF**

June 3 was our Annual McCune "Cheeseburger in Paradise" race, the first race of the year with a big party, and it turned out to be spectacular!

The race advertisement brought in six boats, two of which came from Ventura Harbor. We hope this is the beginning of a trend. We really try to recruit boats from other clubs to participate in our races.

The Race Committee did a stellar job managing the race over the 11-mile random-leg course – almost supernaturally, breeze picked up as the red class flag on the committee boat went down announcing the start. The skippers brought their best tactical repertoire that day as the wind seemed to shift and bounce. All crews tried to adjust their sails to make their yachts go a little bit ever so much faster (Well, at least we did on our boat), while the helmsmen grappled with their eternal dilemma: to tack... or not to tack.

So, you know, it all worked out in the end. All boats finished early enough to have fun at the Club. Some finished earlier – early enough to collect cases of locally brewed beers from Tarantula Hill for the three champions: first, Mahalo with elapsed time 3:32, then Wai'lani 3:47, and Risa 4:28. Selavy, 4:56, Paradise Found, 4:52, and Swift, 5:19 came forth, fifth, and sixth. Special shout out to Bill Schneberg on Selavy: when corrected for handicap, Selavy was right on top of Risa in the third place. Way to go, Bill!

Special thanks to Vice Commodore Robert Alexander for sharing his boat for the Race Committee, and to Roger Hayne for taking the race photos and bringing them to the Bill's Bar TVs. The photos can be found at the members side of the Club's webpage.

The event planning committee - Linda Abruzzo, Susan Robins, and Sherry Keowen - did an excellent job organizing the party including the traditional cheeseburger menu, the adorable McCune-2023 caps which are already becoming coveted memorabilia as all of them sold out, raffle prizes for crew, and, of course, the famous Valley Boys jamming way into the evening with Jimmy Buffet music. Some folks danced by the pool, too, all having great times!

McNish Classic Race is next. We have been working to make it a success, and hope to see you all there! Until then, we hope you are enjoying the summer, keeping healthy, and well.

Warmly, Vasily, Richard, Connie

## Summer Whales of the Santa Barbra Channel

By: Director Ron Dreher

In the Santa Barbara Channel during the summer months, you can expect to see several species of whales. Here are some of the whales commonly sighted in that area:

1. Blue whales (*Balaenoptera musculus*): are the largest animals on Earth. The Santa Barbara Channel is home to a significant population of these massive creatures. They can reach lengths of up to 100 feet and are known for their bluish-gray coloration. They weigh in at 200 tons. Their tongues alone weigh as much as an elephant. They are primarily filter feeders consuming vast amounts of krill.

*Blue Whale*

These whales make the Santa Barbara Channel their summer feeding grounds. Population estimates range from 10,000 to 25,000 blue whales worldwide.

2. Humpback whales (*Megaptera novaeangliae*): are known for their acrobatic behaviors such as breaching and tail-slapping. They migrate to the Santa Barbara Channel during the summer. They are easily recognizable due to their long pectoral fins, knobby head. They range in length from 48 to 62 feet and weigh in at 40 tons. They feed on krill and anchovies and use a bubble net to round up their prey. Lunge feeding is the scooping technique they use to shovel the food into their cavernous mouths.

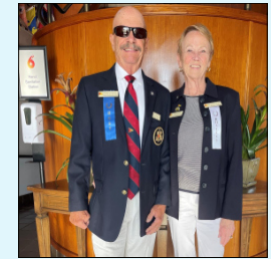

*Lunge Feeding Humpbacks*

3. Fin Whales (*Balaenoptera physalus*) : Fin whales are the second-largest species of whales and can also be seen in the Santa Barbara Channel during the summer. They have a streamlined body and a prominent dorsal fin, and they are known for their fast swimming speeds.

4. Minke Whales (*Balaenoptera acutorostrata*): Minke whales are smaller in size compared to some of the other whale species but are still frequently sighted in the Santa Barbara Channel. They have a dark-colored body and a white underside. They have earned the nickname stinky Minke as they are know for their foul smelling spout! Spout breath?
