## Meaning of Periplus

The word periplus stems from Greek, meaning 'journey' and also means a circumnavigation or sea voyage around a coastline. The use of a periplus, or journal, dates back to the second century and was a document listing in order, the ports and coastal landmarks, with approximate intervening distances, that the captain of a vessel could expect to find along a shore. In that sense the periplus was a type of log, similar to the modern day ship's log.

We use the term for our Club newsletter since it is the documentation of our travels at the Club and offshore and provides a historical record for us to reminisce and share with others. It is our shared and unique history as club members.

## COMMODORE - ILENE SHELDON

Welcome to March and hopefully getting back to some nice weather!

February was a busy and exciting month at PCYC. It started with Ladies Who Do Lunch which put everyone in the Valentine mood. It was a fun way to start the Valentine weekend.

We continued the Valentine spirit at the Share the Love Valentine Dinner and Dance with music by Danny D in the style of ol' blue eyes, Frank Sinatra. It was a wonderful evening with good food and good music shared with friends and loved ones.

Members came to watch the Super Bowl in Bill's Bar and the Main Dining Room on the new big screen TVs. Everyone enjoyed our special menu of game day fare and rooting on a favorite team.

We ended the month with a real Mardi Gras celebration. Truly a fun event. Laissez les bon temps roulez!

Thank you to all the chairs for organizing these wonderful events.

I know it's only March, but one of the biggest and most important traditions in yacht club history is OPENING DAY! The tradition started years ago when yacht clubs would close for the winter and reopen when the ice melted. As Californians we are lucky to be able to enjoy boating all year.

Our Opening Day is April 1, 2023 (and it's not an April Fool's joke). We welcome government VIPs and invited Bridge Officers from other yacht clubs.

The weekend will start with the Closing Night (even though we never actually close). Come to enjoy dinner with friends.

*Continued on page 4*

From page 3

Saturday begins with our Bristol Boats. Members line our dock with their boats and host members, as well as our invited guests, on board for a tour. We continue with our traditional Opening Day ceremony.

After the ceremony, we celebrate the new boating season with dinner and dancing. This day is about us and for us, as members of PCYC. I've heard tell that PCYC is one of the best Opening Days in Southern California.

Mark your calendars for April 1, 2023. Come and be part of the tradition and celebration. Let's make Opening Day at PCYC one of the best!

See you at the Club,  
Ilene

**VICE COMMODORE - ROBERT ALEXANDER**

Ahoy PCYC.

Spring is in the air! We are ready to kick off the 2023 Boating season with the tradition of "Opening Day". We will be celebrating on April 1 with Bristol Boats and Opening Day ceremonies. This is always a big event that draws many other clubs and local dignitaries.

Please mark your calendar and plan to join us in celebrating the beginning of the season. I look forward to seeing you around the Club and on the water.

Robert Alexander  
Vice Commodore PCYC 2023

## REAR COMMODORE - VINCE CARABELLO

Hello Everyone...

In February, we enjoyed a PCYC whale watching excursion and, had a wonderful Mardi Gras party. This month we'll celebrate St. Patrick's Day on the 17th and enjoy another Happy Hour together.. The Club has certainly had to endure the many Covid restrictions and now seems like those restrictions, are fading into the past tense of our activity schedule.

Soon in the next month, we as members, will be celebrating a PCYC Whale Watching Excursion, Celebrating the Mardi Gras, also Celebrating a Sunday Happy Hour, and of course St. Patrick's Day.

Also on our celebratory list is the Club's Event of Events, "OPENING DAY" on APRIL first at 4 PM. Members who have attended the event over the years look forward to it annually.

The "Opening Day" Committee has already met with its 10 anxious members, all are committed and anxious to putting on an event to be enjoyed and remembered.

The Committee plan is to meet often over the coming weeks as each phase of the event is being planned for those partaking in the many various activities.

Please PCYC Members, mark your calendars today putting April the 1st on your schedule to keep reminding you to look forward to a very exceptional Club event.

### PCYC INVITES AND ENCOURAGES ALL MEMBERS TO ATTEND OUR QUARTERLY MEMBERSHIP MEETINGS.

## PCYF - STAFF COMMODORE TOM SHIDELER

The year is moving along so quickly. In January, the Board Members of the Pacific Corinthian Youth Foundation were established for 2023. Officers are Tom Shideler – President, Tom Danza – Secretary, and Virginia Panossian as Treasurer. We welcome Richard Dean as a new member of the Board. We are looking forward to using Richard's business and nautical talents. PCYC Commodore Ilene Sheldon remains as ex officio member of the PCYF Board. Other PCYF Board members are Steve Weiss, Jane Thomas, Jack Skidmore, and Eric Swartz.

We have selected our instructors for the 2023 sailing camp season and have identified the training requirements for their employment. This requires a combination of online study and hands-on qualification. This training is a lot of work, but it helps ensure the quality and safety of our program. The PCYF Board has had two work sessions so far in the storage yard, affectionately named "The Grotto" by the Sea Scouts. Equipment was inventoried and sails were inspected for condition, and then those needed were sent for repair. We are on schedule for the first session of sailing camp that begins June 19. The price for each of the four two-week sessions will be \$495 per student.

The Sea Scouts continue to develop their skills. This last month two Scouts completed their diving certifications with SCUBA dives off Anacapa Island. Previous in-pool training had been required before making the trip to Anacapa Island. Skipper Dave VadBunker provided the vessel. A lot of activity is going on.

## PCYC ON THE WATER - SCOTT VON LANKEN

From the Desk of Fleet Captain Power and Electric:

It's February. It's sunny. And, in between rain storms we are experiencing fantastic weather here in the Channel Islands Harbor. On February 18, members of the Powerboat fleet of PCYC treated PCYC landlubbers to a Whale Watching excursion. This is one of the most popular events, and this year was no exception. Over 75 people from PCYC will be experiencing the "great whale migration" that happens every year, just outside of our harbor. If you missed this one, don't worry. There will be other opportunities for you to get out on the water, later in the year.

In March, the Powerboat Fleet will be heading just 10 miles up the coast to the Ventura Yacht Club for a club swap event. VYC will be at our club for the weekend, and we will go to their club. Next, in April, with great anticipation, the Powerboat Fleet will be on full display April 1st for Opening Day. This day is magical, don't miss it.

And, for all of you Electric Boat members, mark your calendar for, April 15, which will be our first Electric Boat Event of the season. There will be a total of four Electric boat events this year.

The 2023 cruising year is going to be special. See you out on the water!!

Scott Von Lanken

Director - Fleet Captain Power and Electric

## MORE PCYC ON THE WATER

We have planned a great sailing program this year, and held our first organizational meeting at the end of January. Many thanks to those club members who showed their interest in these events as skippers or crew and offered up to help on a racing committee. As a reminder, we are still looking for volunteers for committee boats for all events (small power boats would be ideal, so shout out to the power boaters out there, your help is wanted, a race does not happen without a committee boat!), after-race party planners, publicists, and club race officers. Richard Dean, the Race Committee Chair, is designing some outstanding race courses as we speak. It is always great to have more race officers, you can explore on-line certification programs at <https://www.ussailing.org/competition/rules-officiating/race-officers/>. I am going to enroll in one soon.

Please contact Vasily Belozeroff or Richard Dean if you are interested. Richard got us red baseball caps with PCYC burgee for the Race Committee members, so we hope you all will get excited and volunteer to help!

Here is the 2023 schedule of races so you can find a place for you:

- TGIS Winter series - March 5, April 30
- The McCune Cheeseburgers in Paradise race - June 3
- The McNish Classic race - July 29
- The Ventura County Ocean Racing Circuit (VCORC) race - September 9
- TGIS Fall series - October 1, November 19, December 10

See you on the water or at the parties—let's have some fun!

Connie Sedacca, Fleet Captain  
Vasily Belozeroff, Fleet Captain Sail  
Richard Dean, Race Committee Chair

## LADIES WHO DO LUNCH - SALLY WOLFE

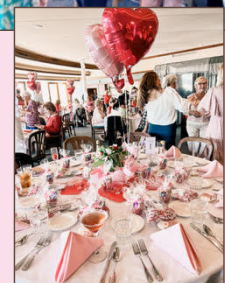

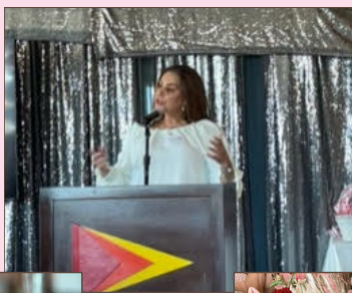

Many thanks to Kim Schalla, Stacie Murphy and ALL their helpers for creating such a beautiful Galentine's Day Luncheon in less than 30 days!! As I mingled among the crowd, I heard so many LOVEly compliments, "those balloons!", "These events are always so unique", "Look at the tables!", just to mention a few!

We're especially thankful for Stacie Murphy's generous donation of cookies for each of our events, Andrea Jackson who always brings her craft bag of supplies and LaVella for keeping us well organized with opportunity basket and silent auctions lists! And last but not least, our opportunity ticket sellers and gift collectors for their endless smiles while they take time during the event to help!

Our next event will be April 13, and our hostesses will be Sally Lefton-Wolfe and Susan Studebaker. Enjoy the photos!

With Gratitude,  
Kimberly Alford

# HAPPY Galentine's DAY

## WHY IS OPENING DAY IMPORTANT?

For many of you newer PCYC members, our upcoming Opening Day will be your first real exposure to a yachting ceremony. What's it all about? What can we do to participate? What is the appropriate yachting attire? Why is it such a big deal?

PCYC Opening Day presents newer members with an opportunity to really appreciate the satisfaction of belonging to a world class yacht club, and it also reminds our veteran members of the prestige they enjoy by belonging to one of the finest clubs in the yachting community.

In the North Eastern portion of the U.S., fall and winter meant that yachting came to a halt as the waters froze. Boats had to be removed from the water, stored and sheltered from the ice and snow. When spring arrived and the ice began to melt, yachtsmen prepared their boats for the new yachting season that started with an Opening Day ceremony. As yacht clubs were established in warmer climates and boating became a year-round activity, the tradition of conducting an Opening Day ceremony in the spring continued.

This year, PCYC's Opening Day is Saturday, April 1. Even though we are able to enjoy boating all year, we, as an internationally recognized yacht club, continue the tradition of an Opening Day ceremony.

On Opening Day, PCYC will host bridge officers from most of the yacht clubs in Southern California, as well as VIPs from the government and yachting organizations. It is important that all of us who are members of PCYC understand that our Opening Day is first and foremost for our own members. Come see our display of Bristol Boats and enjoy drinks and snacks aboard prior to the ceremony. The ceremony is short, fun, and designed so that all of us can enjoy our great Club. The dinner and dancing following the ceremony is our party, and the visitors are our guests. All our dinners are hosted by the Club.

*Continued on page 11*

## Recommended PCYC Traditional Yachting Attire

From page 10

PCYC's official Summer uniform is worn from Opening Day until Labor Day and features white pants or skirt with white shoes, a single or double-breasted navy blue blazer and a white dress shirt or blouse. On the blazers, the Club Bullion is worn on the left breast pocket, one inch below the top of the pocket (PCYC Bullions are available for purchase at the Front Desk and should be worn by every member). PCYC member badges are worn on the right breast pocket of the blazer in a position horizontal to the top of the pocket on the left. For the men, a navy blue PCYC Club tie is recommended (PCYC Club ties are available for purchase in the Gear Locker). Members attending, but not part of the ceremony, may wear any nautical themed attire.

Remember, our Opening Day is your day to celebrate being a member of a great yacht club. Make your reservations today! If you are interested in participating in the planning or execution of the event, please let the Front Desk know. Commodore Ilene Sheldon, the Board, and Bridge look forward to seeing all of you at Opening Day!

We are always willing to help you out with whatever questions you may have and where the fish are biting. If you are unable to attend the captains meeting you can sign up anytime during the tournament.

The tournament will begin on March 25 and goes until November 1. Plenty of time to go out fishing and it's always great to tie it in with the PCYC cruises.
