Meaning of Periplus

The word periplus stems from Greek, meaning 'journey' and also means a circumnavigation or sea voyage around a coastline. The use of a periplus, or journal, dates back to the second century and was a document listing in order, the ports and coastal landmarks, with approximate intervening distances, that the captain of a vessel could expect to find along a shore. In that sense the periplus was a type of log, similar to the modern day ship's log.

We use the term for our Club newsletter since it is the documentation of our travels at the Club and offshore and provides a historical record for us to reminisce and share with others. It is our shared and unique history as club members.

REAR COMMODORE - VINCE CARABELLO

Greetings everyone !!

Hope you all had a good winter season as we are soon, hopefully, going to be having a good and interesting summer.

The weather experts are now reporting our four weather seasons of summer, winter, spring and fall are not going to be in the future as have been during our lifetime. We are now in the midst of a universal climate change where many weather seasons have reversed, and magnificent wild storms have been common in central parts of our country. Some of these are wild storms destructive to a point as we never had before.

Fortunate for us here in sunny Southern California is that so far, our climate hasn't really changed except for a very wet winter of record rain fall.

Hopefully, this summer will be as peaceful as it has been for so many years and our many great opportunities for boating and Club house festivities will continue as before.

Very glad to say, that all recent events have all gone untouched and hopefully our success in our Club's many enjoyable festivities will continue.

Have a great summer !!

PCYF - STAFF COMMODORE TOM SHIDELER

The summer sailing camp starts on June 19. This is the month that everything must come together. Instructors have been selected and some are receiving online training. This is a continuing process. We are pleased to welcome Vanessa Belozeroff as a member of the PCYF Board. Vanessa brings with her experience in youth sailing and many fresh ideas for improvement.

Applications for the sailing camp are now being received. To apply, go to pcyfsailing.org and follow the instructions. The price for a two-week session is \$495 if paid by check or \$505 if paid by PayPal.

We are shocked and deeply saddened by the sudden loss of David Wolf. David was a key factor in the rebuilding of Sea Scout Ship 9201. Simply stated, David excelled at everything he did, and he will be seriously missed.

On Monday April 11, Sea Scout skipper David VadBunker and his friend, Kip Longo, did a tremendous amount of work for us in the storage area under the bridge. The work included moving equipment to allow the painting of the bridge columns, disposing of junk trailers, and moving into place the steel container we had purchased for the secure storage

2002 PCYC Group Photo

of outboard motors. Unfortunately, I just learned today that CALTRANS is now involved and the moving of containers may be required. By the time this article goes to press I hope this issue has been resolved. I should mention that the Sea Scouts participated in the PCYC Opening Day as well as presented the colors at Anacapa Yacht Club Opening Day.

When once again we see the students on the water learning lifetime skills, learning teamwork and having fun, all this stuff becomes worthwhile. No one said it was easy.

LADIES WHO DO LUNCH - KIMBERLY ALFORD

We had an amazing Spring in Bloom luncheon with guest speaker, Jennie - Wandering Branch Florist - sharing tips on how to create beautiful floral arrangements. Joan Logan's son generously donated a free cocktail for every attendee in honor of his Mother's birthday! Vince Carabello, Rear Commodore, thanked everyone in attendance for their support and shared that LWDL helped to keep Cutie afloat as well as agreed to replace PCYC's speaker/sound system.

LWDL Q&A:

Q: Who are the Ladies Who Do Lunch (LWDL)?

Continued on page 9

A: We are members who volunteer our time to create fun and informative luncheons. The proceeds from the opportunity or silent auction baskets help to financially repair or replace items recommended by the House Committee. For instance, LWDL recently agreed to fund the repair of Cutie, PCYC's electric boat which is available to all members.

Q: Why should I attend a LWDL event?

A: They're a great way to meet a new friend or catch up with existing friends! Each luncheon has a special theme and menu. Depending on the event, a special speaker, local boutiques, or other entertainment surprise will be present. Both opportunity and silent auction baskets are available to win!

Q: Is it only open to PCYC Members?

A: All LWDL events are open to PCYC members and their guests. Guests may pay separately.

Q: What's so special about the October luncheon?

A: The LIVE Auction is a huge hit! LWDL donates October proceeds to St. John's Cancer Center. This past year, PCYC donated over \$16K to St. John's Cancer Center!

Special thanks to our volunteers: Andrea Jackson, Beth Freedman, Beverly Woodgrift, Debbie Ferraro, Ellen Kampel, Janet Goodwin, Kim Schalla, LaVella Consiglio, Marcia Charney, Martha Baskerville, Marilyn Miravete Smith, Mary Kersting, Nancy Klein, Rosemary Tobin, Sally Lefton-Wolfe, Stacie Murphy, Susan Haase, Susan Studebaker, Susie Friedman, Suzy Lesiak, Vicki Kersey and Yolanda Romano.

Ladies, please mark your calendars for June 8!

More info coming soon regarding our next luncheon: Celebrate the Flag!

PCYC ON THE WATER - SCOTT VON LANKEN

From the Desk of Fleet Captain Power and Electric

April has come and gone, and the Power boat fleet at PCYC was busy participating in Opening Day, Cruising to Santa Barbara, and attending the Newport Beach Boat Show.

Below are a couple of pictures of the PCYC Bristol Boats from Opening Day.

May is shaping up to be just as spectacular. Typically, Springtime brings warm sunny weather and perfect ocean conditions for getting out on the water!! Over the Memorial Weekend, the Power and Sailing Fleet will be cruising to Marina Del Rey and visiting the Cal Yacht Club. Landlubbers are welcome to join us for a group dinner on Saturday night. Be on the lookout for email announcements, and if you would like to join, simply send an email to director4@pcyc.org, or call the Front Desk.

In addition to the Marina Del Rey trip, there will also be a PCYC Electric Event on Saturday, May 20, starting at 5:30. The PCYC Electric Fleet will gather in the Turn Basin and tour the Harbor together, finishing at PCYC to enjoy cocktails by the Pool. To sign up for this event, send an email to director4@pcyc.org, or call the Front Desk.

See you out on the Water!!

PCYC ON THE WATER - VASILY BELOZEROFF

We are gearing up for the races in the summer. As a reminder, the final race of the TGIS season's series is on April 30 – the notice of race, sailing instructions, and registration forms are all on the web site. And, the work is underway for the McCune Cheeseburgers in Paradise race on June 3. The race committee and the event committee has been quietly but feverishly working behind the scene to prepare for this traditional race and the party. And of course the McNish Classic race! More to come soon, but be ready! Also, special thanks to those helping with committee boats. We appreciate it.

Vasily and Richard visited Ventura Yacht Club to make connection and share our respective experiences in sailing programs and racing. We learned about their junior program outreach, and talked about opportunities to participate in each other's races. All in all, great visit, and many interesting details to share with our members.

Last but not least, congratulations to the Race Committee member Mark Slothower on completion of his Basic Race Management training course with

US Sailing. Way to go, Mark, we appreciate your taking the time to learn the ropes of race management and enriching the Club sailing expertise, and we look forward to seeing you on the water!

Warmly,
Vasily, Richard, Connie

SUMMER SLAM FISHING TOURNAMENT 2023

Hello fellow anglers-

May is here and it looks like fishing is in full swing. The White Seabass, Halibut and Yellowtail are all around. Take some time and look for the squid beds. Yellow Banks and Chinese have been producing as well as Eagles Nest and Becher's Bay at Santa Rosa. Fish move around, so try to find the latest data before you head out.

It looks like there might be a strong El Niño moving in starting this month. If it does come true, we should have great Marlin, Swordfish and Tuna fishing behind our islands. Good time to get the gear ready.

The Summer Slam Fishing Tournament is in full swing. We have 19 boats fishing in the tournament this year. There is still plenty of time to sign up. See you on the water

By serving on this Committee, you will be making a very important contribution to PCYC.
