Meaning of Periplus

The word periplus stems from Greek, meaning 'journey' and also means a circumnavigation or sea voyage around a coastline. The use of a periplus, or journal, dates back to the second century and was a document listing in order, the ports and coastal landmarks, with approximate intervening distances, that the captain of a vessel could expect to find along a shore. In that sense the periplus was a type of log, similar to the modern day ship's log.

We use the term for our Club newsletter since it is the documentation of our travels at the Club and offshore and provides a historical record for us to reminisce and share with others. It is our shared and unique history as club members.

COMMODORE ROBERT ALEXANDER

Dear Members of the Pacific Corinthian Yacht Club,

As we sail into the final quarter of the year, I am filled with joy and gratitude for the incredible community we have built together. Our club has not only weathered the challenges of the past year but has also thrived, thanks to the unwavering support and enthusiasm of each member.

You will soon be voting for next year's leadership. While these leaders have a vital role to play, we also need committee members. Please find a committee that fits well with your personality and skill set.

Speaking of committees, we have started a new committee to plan out the 50th anniversary of the Club that will be here in less than two years.

One of the core values of our club is fostering a sense of community. I urge all members to continue to engage with one another, share your experiences, and support each other both on and off the water. Our club is a place where lifelong

friendships are forged, and I am committed to ensuring that this remains a welcoming and inclusive environment for all.

Your feedback is invaluable in helping us improve and grow. Please do not hesitate to share your thoughts, suggestions, and ideas with the Board. Together, we can continue to enhance the experience for all members and ensure that our club remains a beacon of excellence in the yachting community.

Thank you once again for your dedication and passion. It is an honor to serve as your Commodore, and I look forward to many more adventures and successes together. Let's continue to sail forward with the same enthusiasm and spirit that has brought us this far.

Fair winds and following seas,

Robert Alexander

**REAR COMMODORE/FLEET CAPTAIN SAIL
VASILY BELOZEROFF**

Dear Fellow Club Member:

We started our first junior sailing sessions in October, and I am excited to welcome the participants – Bailey and Ellie Swan, and Marina and Maximus Belozeroff. The sailors went out on our Capri-14 piloted by PCYF instructor Katrina Hernandez. The students reviewed boat rigging and basic sailing principles that they learned during the summer at PCYF camp and had a great time. I was happy to assist on the motor skiff. The wind subsided later in the day, and Katrina called me on the radio channel 71 to come and tow the Capri back to our dock.

We will continue our sailing excursions with the families who already signed up and will be

happy to extend the offer for those who want to join. Remember that an adult can sign up to learn with their kid or a grandkid as a family, and then take the Capri out whenever you wish. How great is that!

We will plan to continue these sailing sessions in partnership with the Youth Foundation. Look for the calendar announcements for 2025. I also need volunteers to assist with the sessions – your job will be to show up (!) during the sailing sessions, help the instructor and kids, and stand by on the radio to be ready to drive the motor skiff for assistance. I did it, it is not that hard, and it is fun, so please do throw your hat in the ring.

PCYC ON THE WATER SCOTT VON LANKE

From the Desk of the Fleet Captain Power and Electric

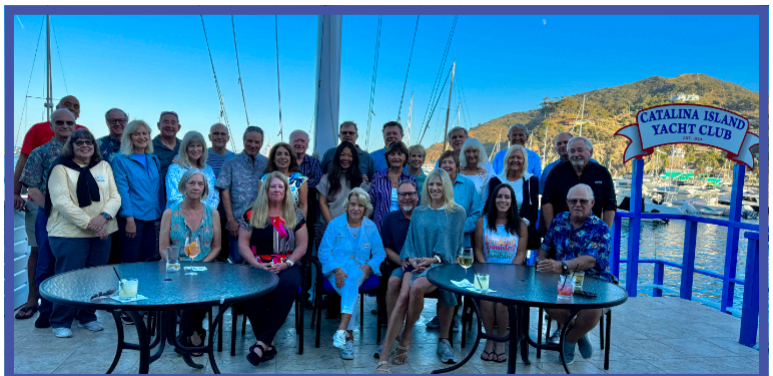

...and memories that will last a lifetime

As I sit down to write this article, almost 50 PCYC members across 13 boats, including six landlubbers, just returned from the City of Avalon in Catalina where we spent five glorious days of fun. Here is just a sampling of what we did.:

All of this fun got me thinking about PCYC. It's a big club, with over 400 members and lots of activities. And, the activities are what makes our club "small". The activities are designed to get members to meet other members with like interests, who then become friends. Even friends for life.

- Group happy hours, both on boats, on land, and in the exclusive Catalina Island Yacht Club
- Miniature golf outing.
- A group dinner at the Buffalo Nickel.
- A group lunch at Descanso Beach.
- Daily hikes, golf cart tours, snorkeling, swimming,

Join us in 2025 for PCYC "on water" events and make friends for life - power boats cruises, sailboats cruise and races, electric boat activities, and fishing in the Summer Slam tournament.

SUMMER SLAM 2024

Hello fellow anglers,

Our Summer Slam Fishing Tournament has come to an end. We had a great year! We had 19 participants, and the leaderboard had quite a few changes during the entire tournament, and this made it quite exciting!

First place went to Joe Bishop. He caught the biggest calico bass and lingcod. He started out with these two fish at the beginning and held the lead all the way through the tournament.

Second place went to Mike Cromer. They caught the biggest tuna and yellowtail. Mike

Price caught the largest halibut. Delores Hermann caught the largest white Seabass.

Gina Haase caught four Marlin. Landon Bishop won the junior big fish with a 63-inch bluefin tuna. Gina Haase won the ladies big fish with four Marlin. Mike Cromer caught the biggest fish of the tournament - a 162 lb bluefin tuna.

Thank you to everyone for participating in the tournament. We look forward to seeing everyone next year and a few new participants.

PCYF NEWS S/C TOM SHIDELER

First, I want to thank Martha Baskerville for allowing me to submit this article very late on October 14. That day, Monica and I were returning from Avalon having enjoyed a great weekend with PCYC sailors and others on the Club cruise. After cruising home that afternoon, I had two meetings to attend. My objective is to get this thing written with at least a minimum of understandability and submitted before midnight.

I became involved with the PCYF Board as an ex officio member when I served as Commodore of PCYC in 2017. I fell in love with the mission of the organization and with working with the kids. In 2019 I became President of PCYF and have remained in that position ever since. I have enjoyed working with the PCYF

Board seeing things get accomplished. However, the birthdate as stated on my driver's license indicates that I am probably older than the grandparents of most of our sailing students. It is time to move on! So, starting January 2025, Robert Alexander, who is now serving as PCYC Commodore, has been elected to replace me as PCYF President.

Most of the other PCYF Board positions have been filled and this will be finalized in our November meeting. We are looking forward to another season, and also the opportunities and challenges of working with the PCYC junior fleet.

PCYC ON-THE-WATER RICHARD W DEAN, RACE COMMITTEE CHAIRMAN

Something spectacular seems to be happening in the final three races of the PCYC TGIS Fall Series races — excitement! On September 29, PCYC held its first race in the Fall Series. The race started at Mandalay Buoy with two classes and 15 boats. This fleet (the largest in many years) raced 9.63 NM on a course marked by six buoys, four of which were dropped by the PCYC Race Committee.

Mark Boat was piloted by Sea Scout Leader Dave VadBunker and crewed by future Eagle Scout Brandon Ramirez. The RC wishes to thank Mr. VadBunker and the Sea Scouts of Ship #9201 for their continuous support of the PCYC Race Program and the Pacific Corinthian Youth Foundation (PCYF). PCYC Members are also encouraged to provide both Committee and Mark Boat support for our races. Training is available for both activities which are necessary to the success of our sailing program.

Race results are shown below where the winner of Class A was PCYC's own Randy

Dickinson and the Crew of Mahalo. The winner of Class C was Hal Stratton from Ventura Sailing on his 19' A-Cat.

The Race Committee (RC) wishes to thank the racing community for their continuous support of PCYC sailing and to the Ventura Sailing Club (VSC) for their huge turn-out in our last race. Eight Beach Catamarans from VSC sailed in this the first ever Beach Cat Class event in PCYC Sailing history. We welcome the Beach Cats and hope that we can expand their numbers in the future.

The PCYC 2024 sailing season has only two races remaining - TGIS Fall Series #2 on November 17th and Series #3 on December 8th. Weather this time of year normally provides the best conditions for sailing and racing in particular. Please mark your calendars and if you are a sailing skipper, please plan to sail with us. Below are the courses designed for the last races. Only one course will be sailed for each race depending on weather.

CHANGE OF WATCH - DECEMBER 7, 2024

By Kathy Laidig and Gail Barrette,
Change of Watch Chairpersons

Yacht club traditions create the consistency and connections that make being a member unlike any other social club. On Saturday, December 7 at 6 pm, we get to celebrate one of the most important nights of the year at PCYC. On that night, the incoming Commodore is sworn in, and our current Commodore, Robert Alexander, is relieved of his watch.

We will also welcome a new Bridge and Board that will be duly elected at our November Annual Meeting, and have a chance to thank all the outgoing officers and directors. Getting to this night takes a dedicated committee to not only make sure the menu, décor, and music are memorable – but to ensure that the swearing in of the new Commodore and their Bridge is a meaningful and memorable evening.

It is also a time to recognize the Staff Commodores who have generously served PCYC throughout its long history. The Arch of Sabers ceremony which welcomes this group to the event is a symbolic pledge of loyalty to the organization. The day-to-day strategic direction of PCYC is handled by the volunteer Board and Bridge. We appreciate the hours and dedication they give to making PCYC a premier yacht club!

It wouldn't, however, be a PCYC Change of Watch without a little bit of fun and frivolity thrown in! You will not want to miss the ever famous "Colonel Bogey March" amusing conga line featuring the new Commodore in a highly adorned tri-corner hat that was generously donated by longtime member Jules Melillo.

So, pull out your cocktail attire and get ready to connect with old and new members, experience PCYC tradition and dance the night away to a live band! It will be a night – and a club tradition -- to remember.
