VICE COMMODORE VASILY BELOZEROFF

Dear Fellow Club Members:

PCYC Board of Directors and the Bridge usually meet on the third Thursday of each month. I would like to demystify what goes on there because I am sure many are interested but are afraid to ask! So here goes . . .

The Bylaws (10.1) state, “The government of the Club shall be vested in the Board of Directors composed of twelve (12) persons.” (www.pcy.org/_filelib/FileCabinet/rules/Bylaws_-_08-16-24.pdf), and “*Robert’s Rules of Order* shall govern the conduct of all meetings of the Board of Directors,” (10.13).

To add a bit of history, *Robert’s Rules of Order* (www.rulesonline.com/) was written by U.S. Army Brigadier General Henry M. Robert in 1876 based on the process used by the U.S. House of Representatives but adapted for smaller organizations. It was intended as a manual for parliamentary procedure, anecdotally, based on experience of that same General Robert attempting to preside over a chaotic church meeting for which he felt unprepared. In his work, Robert discovered that people from different regions of the country have different ideas about parliamentary procedure. The *Rules* have systematized a decision-making process and made it consistent across many organizations.

Our Board works by following the meeting’s agenda and making decisions for the Club, i.e. make a motion, second a motion, debate, and vote on. The decisions at the Board Meeting are concerned with the general oversight of the Club rather than those in scope for specific committees. Many decisions are not unanimous, but such is the nature of democratic process – it’s the majority rule. You can appreciate that it can be tough to find

common ground to satisfy all Club members as we come from different walks of life and probably have different ideas of what good looks like for the Club. Yet the mission of Corinthian yachting spirit unites us, and we move forward with this orderly and fair process to make decisions and help ensure the well-being and sustainability of the Club.

I am grateful for your support and trust in the Board as your representatives. I encourage you to attend our Board Meetings. Bylaws section 10.5 states, “Any member in good standing may attend any meeting of the Board of Directors,” – so come join and see *Robert’s Rules* in action. In the meantime, I will let you in on a secret: unlike the real Parliament, we do not have a gavel, at least not yet, and – oh! – we laugh occasionally.

Vasily

REAR COMMODORE KIMBERLY ALFORD

Hi Everyone,

I'm so excited to be a part of a diverse group of new and seasoned yacht club members. Our committees are busy planning social events and would love your help, too. One of my favorite events is Opening Day, which is always the first Saturday in

April. Please come join us as we open our club to local dignitaries and lots of pomp and circumstance. You should also plan to stick around for the tasty roast beef dinner that follows the ceremony.

With Gratitude, Kimberly

BOARD SECRETARY MARTHA BASKERVILLE

“NOTICE AND CALL” - NOMINATING COMMITTEE APPLICATIONS SOUGHT

It's hard to imagine that your Board of Directors is already thinking about our Annual Meeting in November and the elections that will take place at that meeting. But we are!

The first step in this long election-preparation process is to establish a Nominating Committee. This is a very important committee. It is the responsibility of this committee to ensure that we nominate to leadership positions members who will continue the success of our Club.

This is PCYC's official “Notice and Call” requesting that you submit your name as a candidate for the 2025 Nominating Committee. When selecting Nominating Committee members, the Board of Directors shall consider each candidate's:

- (c) Experience in the Club
- (d) Previous committee work
- (e) Board interest

Current Board members may not serve on the Nominating Committee, nor may their spouse, registered domestic partner or co-applicant serve on this Committee unless they have a separate membership.

You are not eligible to serve on this Nominating Committee if you served on the Nominating Committee last year. However, Staff Commodores may serve two (2) years in a row.

By serving on this Committee, you will be making a very important contribution to PCYC.

Let us know of your wish to be considered for this Committee by sending an email stating such to: Martha Baskerville, Secretary, at jimmarf@verizon.net. Or, you may call or email the Front Desk to request an application. An application will be emailed to you.

Your application (see page 5) needs to be received by 12:00 noon on Wednesday, May 14, 2025.

PCYC ON THE WATER SCOTT VON LANKEN

From the Desk of Fleet Captain Power and Electric

Hey PCYC!

As I sit down to write this note for the *Periplus* April edition, it's pouring rain, and I know many of you are patiently waiting on spring to spring and warmer weather to arrive. So, with great anticipation of warmer weather, here is what's happening ON THE WATER and a glimpse into the future over the next two months.

The cruising schedule and activity calendar is in FULL SWING. Below is a run down of events coming to you in April and May. To reserve your spot for one or more of these activities, send an email to fleetcaptain@pcyc.org or simply call the Front Desk.

April 5 – **PCYC Opening Day and Bristol Boats.** This year we have 10 boats in the PCYC Fleet participating in Bristol Boats. Come aboard and check them out, from 1 pm to 4 pm on April 5, Opening Day.

April 25 -27 – **Santa Barbara Club Swap.** This annual tradition with the Santa Barbara Yacht Club is one of the most talked about of the year. The PCYC fleet heads to Santa Barbara for the weekend, and SBYC heads to PCYC for the weekend. This event is perfect for both powerboats and sailboats. Landlubbers are welcome to join us for a group dinner on Saturday night at the SB Yacht Club. To sign up and reserve your spot, email fleetcaptain@pcyc.org or call the Front Desk.

May 22-26 – **Cruise to Marina del Rey and the Del Rey Yacht Club** – This annual tradition takes place over Memorial weekend. Daily happy hours, group dinners, kayaking/paddle board, a group bike ride to the Santa Monica Pier, and even a friendly game of pickle ball all take place on this PCYC cruise.

The nice thing about the PCYC cruises is flexibility. You can participate based on your schedule and attend for the entire duration or just a part of the cruise. Participate in some of the activities or all of the activities. Your choice.

What I find most enjoyable about a PCYC cruise, besides all the fun stuff to do, is THE PEOPLE. It's the PCYC people that make cruising fun, where you actually get to sit down in a beautiful environment with like-minded people and get to know them on a level that is simply not possible when passing by on your way to dinner at the Club.

Does this sound like something you would like to participate in? Dive in...Sign up!! You will be welcomed with open arms and most likely an adult beverage.

See You out on the Water!!

PCYC Summer Slam Fishing Tournament 2025

Hello Fellow Anglers -

It's April and time to go fishing! Rock fishing season has opened to all depths. This is a great time to get that Ling Cod. Be sure you check the regulations as rock fish depths change periodically throughout the year. Also, make sure you have a release device on your boat that is mandatory. The Summer Slam Fishing Tournament is now underway. It's never too late to join our tournament. We fish until mid-October. Always looking for new participants.

See You on the Water,

Mike & Gina Haase

Exciting Preparations Underway for the Pacific Corinthian Youth Summer Program!

We are thrilled to announce that preparations for our upcoming summer program are well underway! Our dedicated team has been hard at work cleaning up the boat storage area, as well as cleaning, painting, and repairing the boats, to ensure everything is in top condition for our young sailors.

We are also reaching out to our generous community for support. Your donations are crucial in helping us provide a memorable and enriching experience for the youth. Every contribution makes a significant difference.

- **Mail a check:** Make checks payable to "Pacific Corinthian Youth Foundation" and mail to PCYF, 2600 Harbor Blvd., Oxnard, CA 93035.
- **Become a sponsor:** Contact us at (805) 974-0059, or pcyfsailing@gmail.com to learn about sponsorship opportunities.
- **Become a volunteer:** work alongside our

Board to help develop our next generation of sailors.

- **Contact** any of our PCYF Board members who are also PCYC members for more information (Robert Alexander, Mark Slothower, Vanessa Belozeroff, Richard Dean, Eric Swartz).

We are delighted to share that we have received two scholarships from the IOBG Humanitarian Fund totaling \$1,400. A big thank you to Staff Commodore John Gaddis and Donna for their incredible support!

To kick off the season, we will host an Open House on April 13. This event will be a fantastic opportunity for our youth to get a taste of sailing with boats on the water. It will also allow parents to meet our dedicated instructors and learn more about the program. We look forward to seeing you there and appreciate your continued support in making this summer program a success!

Warm regards,
Robert Alexander, President
Pacific Corinthian Youth Foundation

Opening Day Bristol Boats By Ron Dreher

One of my favorite club events for Opening Day is Bristol Boats.

Bristol Boats invites members to walk the guest dock and go aboard members' boats/yachts that are in Bristol condition. It is a chance to see the many different boats in our PCYC fleet. The boats are med-moored stern to the guest dock. This makes boarding very easy.

Before going board, please make sure you

check with the boat owner, as some will want shoes off. The owners have generously agreed to open their yachts for you, the PCYC members, guests and dignitaries to tour their boat. They all are first rate hosts with food and beverage. It's a great chance to meet other members and learn the history of the boat.

PCYC On-the-Water

By Richard W Dean
Desk of Fleet Captain Sail,
Race Committee Chair

Sunday, March 2, was to be PCYC's second sail race of the year with TGIS Winter Series #2. Unfortunately, as with last year, foul weather was "in the wind", and the Race Committee made the decision to cancel the race in favor of safety. Our next scheduled race is Sunday, April 27. If you have a sailboat and are interested in racing, our races are informal, instructive, and fun. Please plan to join us. Contact Mark Slothower or Richard W Dean for information.

As some of you already know, PCYC has begun a Junior Fleet (JF) Sailing Program. PCYC in cooperation with the Pacific Corinthian Youth Foundation (PCYF) has created a program, Junior Fleet (JF) designed to provide hands-on training of member children and grandchildren in the skills of sailing. PCYC manages the registration and scheduling, and PCYF provides the boat, Capri 14.2

(currently berthed at the PCYC dock), and instructors. JF registration fees are designed to be minimal, and training is conducted inside the safety of Channel Islands Harbor in the area just off the PCYC dock. Students are personally instructed by Certified Sailing Instructors in private lessons.

Sailing will provide member youth with accomplishments that will enhance and expand their experiences for a lifetime. Junior Fleet membership is open and ready for members to sign up their children and grandchildren for sailing lessons. PCYF also plans to extend a parallel program to a broader base within the community. Please contact Richard W Dean via the Front Desk for additional information and assistance in registration.

OFFICER OF THE DAY ROBBIN ITKIN

Hello Members!

If you have not yet signed up for Officer of the Day, please do so. You are missing out on the fun and a great opportunity to meet your fellow Club members.

Here is what a few of the PCYC members have had to say about serving as Officer of the Day (OOD):

"Serving as Officer of the Day last year gave us an opportunity to introduce ourselves to others, hear their stories, and get to know more fellow Club members. Our kids loved to dress up and tell everybody things they love about our Club. Standing watch as an Officer of the Day is a great tradition, and a way to meet people. We did it twice last year, and we are looking forward to doing it more in 2025."

- Vasily Belozeroff, V/C

"If you want to have an opportunity to meet people at the Club, volunteer to be Officer of the Day. You will be the first person they see when they come in on a Friday night. You will meet people you may not meet otherwise. I really enjoy that aspect of Officer of the Day."

- Sally Wolfe, Member

Officer of the Day is a long-standing tradition at PCYC. It gives members the opportunity to "stand watch" in the front lobby of the clubhouse from 1730 to 1830 (5:30 - 6:30 pm) and to greet and get to know other members arriving at the Club on a Friday evening. We usually have two members serving in this role each Friday night. To this end, we ask that each new member in the past two years who has not yet served to please serve as OOD this year. And to promote member relationships, we are also asking that more seasoned members take post and accompany the new members on watch as OODs.

Please sign up at the Front Desk and choose your Friday night to serve as OOD. Also please feel free to call me at 310.738.9561 with any questions.

Reminder - Club attire is worn when serving as OOD, and there are blue blazers on loan at the Front Desk if needed. I look forward to seeing you standing watch as Officer of the Day this year.

Thank you!

Best, Robbin Itkin,
Director
