VICE COMMODORE VASILY BELOZEROFF

Dear Fellow Club Members:

The Opening Day ceremony was spectacular. As a club with a rich tradition, we take pride in meticulously following our protocols, and the Opening Day is a great example of such. Our Opening Day follows the blueprint of the Southern California Yachting Association to the letter, including the Color Guard, Saluting, the National Anthem (what a great singing!), Pledge of Allegiance,

the Invocation, the sad duty of the Eight Bells, the introductions of the dignitaries and guests. You may be curious to know that some yacht clubs penalize (reward?) their bridge officers with a drink of hard liquor every time they mispronounce a

guest's name. We do not have this tradition at our Club, so we are lucky in that respect. Reading the names of the visiting guests can be challenging at times, so I am grateful to our volunteers Stacie and Craig Murphy for preparing a nice registration binder – so easy to read from.

The ceremony of the Opening Day is carefully planned and rehearsed several times. I want to thank Susan Peck and S/C Karen Lorenzen for their help, and for keeping everybody in order. The Bristol Boats were once again the centerpiece of the celebration thanks to Fleet Captain Scott Von Lanken and the captains: Keith and Arlene Beckwith on "Tiki", Daryl and Kate Thompson on "Kate Sera Syrah", Tom and Anita Peterson on "Tug This", Jon

and Kim Tonge on "Grey Escape", Matt and Jane Epstein on "Flamingo", Graham and June Wilson on "Bella Vita", Doug and Shari Stotts on "Ramble On", Mike and Gina Haase on "Tight Riv", Mike Becker and Brett Bannerman on "Drifter", Captain Randy and Glenda on "Blue". And let's not forget the cannon!

If you stayed for dinner, you would certainly have enjoyed the buffet. All the PCYC staff did a marvelous job looking after our guests, and the music mix by Mark Wilson filled up the dance floor. The next morning saw a parade of boats with a lot of saluting.

In the end, as the S/C and Port Captain John Praiswater has reported, the channel is clear of ice! Let's go boating and hope to see you soon.

Vasily

Transition to Our New Accounting System

Dear PCYC Members,

We want to inform you of an exciting development as we transition to a new, enhanced restaurant point of sales and accounting system, effective May 1, 2025. This change will enable us to provide you with even more efficient and reliable member and financial services. Please be patient with us as we navigate to our new system.

Regards,
Gwen Wilvert,
PCYC General Manager

REAR COMMODORE KIMBERLY ALFORD

Hi Everyone!

We had another successful Opening Day!

As Rear Commodore, I was thrilled to “walk the plank” with my husband, Bob. I think my biggest fear was mispronouncing the names of our visiting yacht club attendees. I prepared myself by greeting each attendee prior to the start of the ceremony. Whew! I think I barely passed!

Another recent success was the Ladies Who Do Lunch event, “It’s a Coverup, Aprons with an Attitude.” It was such a unique and heartwarming

theme. The next LWDL event will be “Yachts of Fun” (June 12), and its goal is to highlight the Pacific Corinthian Youth Foundation sailing program.

I appreciate your support whether it is volunteering your time, supplying donations, or just attending our events.

I am filled with gratitude for the fun and welcoming community that we have created together!

Happy Sails,
Kimberly

It’s hard to imagine that your Board of Directors is already thinking about our Annual Meeting in November and the elections that will take place at that meeting. But we are!

The first step in this long election-preparation process is to establish a Nominating Committee. This is a very important committee. It is the responsibility of this committee to ensure that we nominate to leadership positions members who will continue the success of our club.

Or, you may call or email the Front Desk to request an application. An application will be emailed to you. Applications (see page 5) need to be received by **12:00 noon Wednesday, May 14, 2025.**

PCYC ON THE WATER SCOTT VON LANKEN

From the Desk of Fleet Captain Power and Electric

With the influx of new members at PCYC, many of whom have ocean-going vessels, many members might be asking, What happens on a PCYC Cruise?

First, you should know that PCYC Cruises are for any PCYC ocean-going vessel, and cruises can transpire over a weekend, a week or more. The places we have visited include: Santa Cruz Island, Santa Rosa Island, Anacapa Island, Santa Barbara, Marina del Rey, Two Harbors in Catalina, Avalon in Catalina, San Diego, Long Beach and more. The nice thing about the PCYC cruises is flexibility. You can participate based on your schedule and attend the entire duration or just a part of the cruise. Participate in some of the activities or all the activities. Your choice.

While on a PCYC cruise, there are various group activities depending on location, including:

- Daily happy hours
- A group dinner
- Miniature golf (Avalon)
- Golf putting contest (Hamilton Cove Avalon)
- Bike rides (Santa Barbara, Marina del Rey)
- Daily hiking/walks (Santa Barbara, Marina del Rey, Two Harbors, Avalon)
- Kayaking/paddle boarding
- Snorkeling

What I find most enjoyable about a PCYC cruise, besides all the fun stuff to do, is THE PEOPLE. It is the PCYC people that make cruising fun, where you actually get to sit down in a beautiful environment with “like minded” people and get to know them on a level that is simply not possible when passing by on your way to dinner at the Club.

Does this sound like something you would like to participate in? If so, below is the schedule for the

remainder of the year. Dive in. You will be welcomed with open arms and most likely an adult beverage.

- May 22-26 – PCYC Cruise to MDR – Del Rey Yacht Club (Memorial Day weekend)
- June 26-30 – Cruise to Long Beach Harbor
- July 10-14 – So. Cal. Harbor Hop Cruise (Avalon, San Diego, Dana Point, Redondo Beach)
- August 23 - Sept. 1 – Cruise to Monterey
- Sept. 26–28 - Cruise to Santa Cruz Island (overnight)
- October 16-20 – Cruise to Avalon (Jazz weekend #2)
- November 15 – PCYC Night Cruise to Ventura

To sign up for any of these events, simply call the Front Desk, sign up on the bulletin board, or email the Fleet Captain at fleetcaptain@pcyc.org

PCYC Summer Slam Fishing Tournament 2025

Hello fellow anglers-

May is here, and the fishing is really kicking off. It's a great time to go out and get your halibut, seabass and rockfish. The Summer Slam Fishing Tournament had a great turnout. We have 19 boats in the tournament this year! Some new members, which is always exciting.

It's never too late to sign up no matter what your fishing level is. For those who are just beginning to fish in the ocean, we're always here to help and give guidance. It takes a few years to get the hang of it, but time on the water is what it takes. Be sure to watch your weather. It can be foggy and windy at this time of year.

See you on the water -

Mike and Gina Haase, Tight Riv

Ladies Who Do Lunch

We had another fun Ladies Who Do Lunch on April 10 with over 80 ladies in attendance.

Linda Sheftz and Janet Goodwin co-chaired our event, "It's a Cover-up, Aprons with an Attitude!" Everyone was encouraged to wear their favorite apron, and some shared special stories about their aprons. We had a 50's vintage vibe with the tables decorated with old family recipe books, among other things. We even had aprons with clothes pins hanging from the ceiling! As always, we had amazing opportunity baskets and mystery bags, as we raised money for our beloved PCYC.

Everyone enjoyed our speaker, Mary Anne Rooney, who is a commissioner of the Port of Hueneme. The port's CEO and Director, Kristin Decas, also spoke. They provided a very informative

talk about our port that included fun/interactive quizzes with prizes. It is always great to learn about our surrounding community and women-led organizations.

A huge thank you to our event chairs, LWDL Committee, and all of you who attended and supported this lovely event.

We are looking forward to our next luncheon, "It's Full Sails Ahead For a Fun Afternoon" on June 12. Join us as the Ladies Who Do Lunch crew sets sail with a "Yachts of Fun" luncheon featuring a nautical theme and a special presentation by the Pacific Corinthian Youth Foundation on the community sailing program.

Hope to see you there.

Pacific Corinthian Youth Foundation: Sailing into Summer 2025

The Pacific Corinthian Youth Foundation (PCYF) continues to make waves in the community with its dedication to youth sailing. On April 13, PCYF hosted an open house at their Channel Islands Harbor facility, welcoming potential students and their parents. This event provided an excellent opportunity for families to meet instructors and learn more about the exciting programs offered, including the highly anticipated summer camp and Junior Sailing program.

Summer Camp Details. The summer camp, starting on June 9, promises to be an enriching experience for children aged 8 to 18. Running weekly sessions until August 15, the camp encourages participants to enroll in multiple weeks for the best experience and benefit. With a fleet of small sailboats such as Sabots, Optis, Lasers, and FJs, campers will learn essential sailing skills, boating safety, and develop good seamanship. The program aims to boost mental well-being, self-confidence, and foster life skills such as independence, leadership, teamwork, and problem-solving.

Junior Sailing Program. The Junior Sailing program is another highlight, designed to nurture young sailors and prepare them for competitive sailing. This program focuses on developing racing skills and overall seamanship, with a strong emphasis on water safety. The open house event successfully garnered more interest in this program, showcasing the foundation's commitment to promoting sailing among youth.

Fundraising Campaign. As the political landscape remains unpredictable, PCYF is launching a fundraising campaign to reduce future reliance on grants. This initiative aims to secure the foundation's financial stability and ensure the continuation of its valuable programs. Community members are encouraged to contribute to this campaign, supporting the foundation's mission to

provide quality sailing education and experiences for youth.

Sea Scouts Ship 9201 is thrilled to announce that they have welcomed two new members since our last meeting.

April Opening Day. They had a fantastic opening day in April, where we proudly presented the flag colors at five yacht clubs. It was a memorable event, showcasing the Scouts spirit and dedication.

Upcoming Events. Get ready for the Merit Badge Challenge on the water days! They will be diving into motor boating, sailing, kayaking, and canoeing. It is going to be an exciting time filled with learning and adventure. The Scouts will also be participating in Wednesday night races.
