Meaning of Periplus

The word periplus stems from Greek, meaning 'journey' and also means a circumnavigation or sea voyage around a coastline. The use of a periplus, or journal, dates back to the second century and was a document listing in order, the ports and coastal landmarks, with approximate intervening distances, that the captain of a vessel could expect to find along a shore. In that sense the periplus was a type of log, similar to the modern day ship's log.

We use the term for our Club newsletter since it is the documentation of our travels at the Club and offshore and provides a historical record for us to reminisce and share with others. It is our shared and unique history as club members.

HAPPY HOLIDAYS! The year has gone by so fast. I can hardly believe it's December.

December will be a busy month beginning with Change of Watch, followed by Ladies Who do Lunch, Parade of Lights and the holidays!

We celebrate the New Year on December 31, 2022. But here at PCYC our new year begins with the Change of Watch. This year it is on December 3, 2022. Thank you to the chairs, Yolanda Romano, Mary Praisewater, Monica Shideler and Kimberly Alford and all who helped put this event together and make it successful.

The 2023 Bridge and Board of Directors are already at work for the coming year. This means new committees and new events. All of our activities are chaired and organized by member volunteers. Volunteering to chair or be part of a committee is one of the best ways to expand and enhance your membership at PCYC. Being part of a committee is a great way to meet your fellow members and make new friends.

There are many committees which include Audit, IT, Decorating, House, Ladies Who Do Lunch, Membership, Photography, Pacific Corinthian Youth Foundation, Roster, Bylaws, Social, Special Events, Sailing, Cruising, Marina, Insurance, Periplus and Nominating, to name a few. If you are interested in being part of a committee, please contact the front desk.

The Bridge and Board are working on the calendar for 2023. We are looking forward to an exciting and eventful year with on the water events including racing and cruising as well as social events. Watch your emails and check the Periplus for the calendar.

Thank you again to the Bridge and Board of 2022, to all the committee chairs and volunteers for your hard work and dedication to PCYC and making this a great year!

Let's continue to make PCYC successful in 2023!

Wishing y'all a Healthy Happy Holiday Season and New Year!

See you at the Club,
Ilene

Greetings from the Bridge.

I would like to share my sincerest gratitude to YOU the members of PCYC and especially those who contribute time and effort to benefit the club.

I have enjoyed serving on the Bridge as your Rear Commodore and look forward to serving as Vice Commodore for 2023.

Thank You for your trust and confidence. I wish you all a Happy and Healthy Holiday season.

With Gratitude,
 Robert Alexander

The sailing/racing season culminated with the last of the TGIS Fall Series. What a fun time was had by all. Already talk about next year's TGIS Winter Series beginning in February. Hats off and kudos to our great race committee members and the power boaters who support the program.

Looking forward to next year's season. The dates are already set and a meeting in January will give everyone a chance to participate on whatever level is comfortable. Let's get out and enjoy our beautiful harbor/channel—the reason we are all here.

One thing we have learned the past few years is that even though the heavy work of preparing for the summer sailing camp doesn't begin until spring of next year, it is smart not to waste the winter months and try to get as much work done earlier as possible. The PCYF Board is in the process of selecting instructors for next year and getting them working on their training requirements. We must identify maintenance and repair work that has to be done before the season starts and also identify equipment needs.

Based on the feedback from 2022, we expect another good season in 2023. Not that I want to bug you, although I am, now is a good time before year-end to make a tax-deductible contribution to the Foundation.

Sea Scout Ship 9201 had another busy month. On one day they hosted 30 BSA Scouts in earning water skills merit badges. Skipper David VadBunker reports that 200 merit badges were earned in kayaking, motor boating, and small boat sailing. This has been a good year for SSS 9201.

PCYC ON THE WATER

FROM THE DESK OF MIKE & GINA HAASE

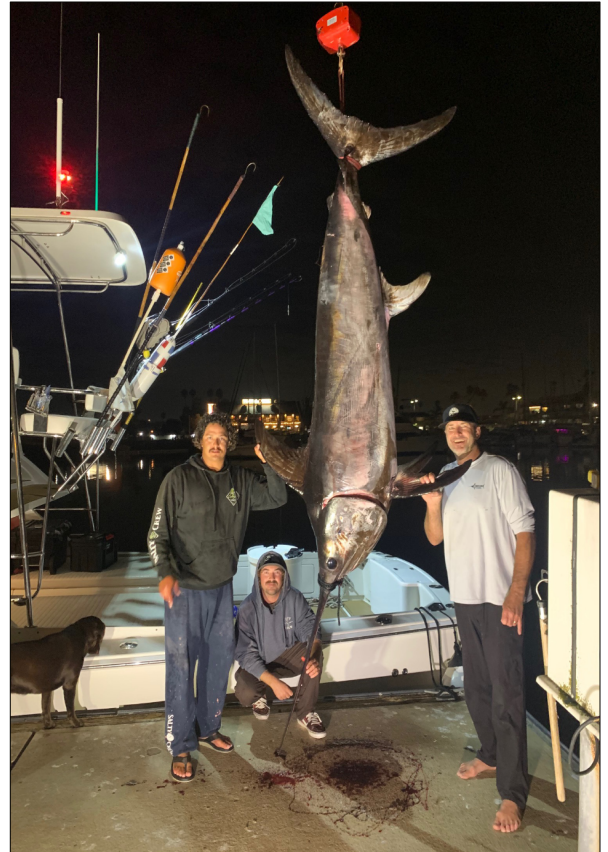

Well, the fishing season is just about over, and this is the last month for rock fishing until March. Season closes January 1.

There are still some squid out there and a few Seabass and Halibut. Just have to look a little harder to find the fish.

Some of the best boating weather is in January when the weather really lays down between storms.

Congratulations goes out to Eric Hermann for a 413-pound swordfish to win the Summer Slam Fishing Tournament 2022.

Be safe and we will see you on the water.
