## Meaning of Periplus

The word periplus stems from Greek, meaning 'journey' and also means a circumnavigation or sea voyage around a coastline. The use of a periplus, or journal, dates back to the second century and was a document listing in order, the ports and coastal landmarks, with approximate intervening distances, that the captain of a vessel could expect to find along a shore. In that sense the periplus was a type of log, similar to the modern day ship's log.

We use the term for our Club newsletter since it is the documentation of our travels at the Club and offshore and provides a historical record for us to reminisce and share with others. It is our shared and unique history as club members.

## **NOMINATING COMMITTEE "NOTICE AND CALL" COMMITTEE APPLICATIONS SOUGHT**

It's hard to imagine that your Board of Directors is already thinking about our Annual Meeting in November and the elections that will take place at that meeting. But we are!

The first step in this long elections-preparation process is to establish a Nominating Committee. This is a very important committee. It is the responsibility of this committee to ensure that we nominate to leadership positions members who will continue the success of our club.

This is PCYC's official "Notice and Call" requesting that you submit your name as a candidate for the 2022 Nominating Committee. When selecting Nominating Committee members, the Board of Directors shall consider each candidate's:

- (a) personal character
- (b) compatibility
- (c) experience in the Club
- (d) previous committee work
- (e) Board interest

Current Board members may not serve on the Nominating Committee, nor may their spouse, registered domestic partner or co-applicant serve on this Committee unless they have a separate membership.

You are not eligible to serve on this Nominating Committee if you have served on the Nominating Committee in the past two (2) years. However, Staff Commodores may serve two (2) years in a row.

By serving on this Committee, you will be making a very important contribution to PCYC.

Let us know of your wish to be considered for this committee by sending an email stating such, to: Martha Baskerville, Secretary, at [jimmarf@verizon.net](mailto:jimmarf@verizon.net) Or you may call or email the Front Desk to request an application. An application will be emailed to you.

Your application needs to be received by 12:00 noon on Wednesday, June 15th, 2022

# CALLING ALL POWER BOATERS AT PCYC!!!!

## From the desk of the Fleet Captain Power

This year, one of the goals of the PCYC Cruises is to get more people involved. Not just our powerboaters, but our sailing fleet, as well as LandLubbers, out on the water. On May 7th, we have planned a local, cruise to Santa Cruz Island for the day. All PCYC power and sail boats are invited. This will also be a landlubber cruise. So, everyone is welcome to sign up and participate.

Be on the lookout for more information that will be posted on the bulletin board, and sent out via email.

See you out on the water.

Scott Von Lanken  
PCYC Director  
Fleet Captain Power

## LADIES WHO DO LUNCH

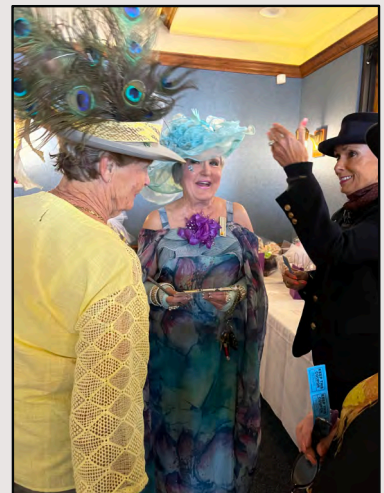

Spring has arrived and so has our Ladies who do Lunch Spring luncheon and mad hatter event. The hats are amazing, many so creative. I want to acknowledge Lavella Consiglio and her amazing committee for putting together the menu, the auction baskets, the entertainment, and everything else that went into making this the spectacular event that it was. Jenny, our floral person for the club, taught us about flower arranging. And we can't forget our talented Micki for entertaining us.

It takes a village to put these luncheons together. Our planning for the June luncheon will begin soon. If you'd like to be involved with this, please contact me. Emails will go out soon. It's an opportunity to get involved in our club and meet other amazing women.

What can be better than that!

Sally Lefton Wolfe, Chairperson

Last month we reported that we would start receiving applications for our summer sailing program on April 1. We actually got started a couple days early and in two weeks had received a nice group of applications for all four sessions. The first two-week session starts on June 20 and is followed by three more identical sessions. I encourage you to go to our website at [pcyfsailing.org](http://pcyfsailing.org) to get information on the program. The fee for a two-week session is \$475 by check or \$485 by PayPal. This remains being a good deal for youth learning to sail under safe supervision and having a great time doing it. I am sure you are again going to enjoy seeing the young sailors on the water this summer.

If by rare chance you happen to be an Amazon shopper, you can sign in to Smile Amazon and at no cost to you, contribute a small portion of your purchase to The Pacific Corinthian Youth Foundation. It is painless and every dollar helps.

In March, our Sea Scout Ship 9201 assisted Ventura County BSA Scouts in earning 12 merit badges in power boating. On April 3, the SSS 9201 Scouts provided their color guard to Anacapa Yacht Club for their Opening Day ceremony.

We all remain busy.

Tom Shideler
