Meaning of Periplus

The word periplus stems from Greek, meaning 'journey' and also means a circumnavigation or sea voyage around a coastline. The use of a periplus, or journal, dates back to the second century and was a document listing in order, the ports and coastal landmarks, with approximate intervening distances, that the captain of a vessel could expect to find along a shore. In that sense the periplus was a type of log, similar to the modern day ship's log.

We use the term for our Club newsletter since it is the documentation of our travels at the Club and offshore and provides a historical record for us to reminisce and share with others. It is our shared and unique history as club members.

September has come and gone. We've had a busy summer with many fun filled events. It's hard to believe Fall is here but we are looking ahead to more Fall fun.

Labor Day was a successful weekend here at PCYC. The two main events of the weekend, Rock the Club and Boogie in Bill's Bar were enjoyed by all.

Ladies Who do Lunch are planning the October event. This is a special luncheon which benefits the St. John's Cancer Center. Make your reservations to be part of this event.

November is an important month for the Club. The Annual Meeting is November 5, 2022 at 10AM. This is the time, that we, as members, vote for the new Bridge and Board of Directors. The slate of nominees is in this Periplus for your review. It is also the time to volunteer for any committee(s) that suit your interests. A quorum is required in order for us to vote. Please mark your calendar, join us for the meeting and stay for lunch.

We have now completed the deck as well as painted the building. The House Committee is hard at work moving on to the next projects to make sure the Club is maintained in "Bristol" shape.

Social events are planned for November. Check your emails for upcoming events.

Our Food and Beverage Committee have added some new items to the menu for Fall.

Please note that the Club House Rules are posted on the back bulletin board.

Hope to see y'all soon at the club!

We have an important all member meeting, our Annual Membership Meeting, coming up on Saturday, November 5th at 10am. Please make your best effort to join us "in person" or via zoom. This is an important meeting where we vote on important Issues including leadership for next year.

PCYC WEB SITE

This article will point out what is on the web site so members can optimize their PCYC membership experience.

If you have never completed the login, please do so by following the initial login instructions. Please email me (Director5@pcyc.org) or the front desk if you can't find the initial login instructions that were sent to you by the front desk. Once you have completed the initial login, please follow the prompts to change your password and user ID.

The web site consists of two main areas. PCYC Club Member area, that is password protected and the Guest area. The guest area serves as our forward-facing view to perspective new members and the outside world. The PCYC Club Member area is the focus of this article.

My Online Statements: The Member side of the web site has twelve useful links to add a level of convenience to your PCYC Membership. First and foremost, members can review their club charges and pay their monthly club bill online.

My profile: You will notice your name, contact information, and boat name that are all available for you to update. You can even upload your most flattering profile picture. Once you are satisfied with your profile be sure to click Update Profile and it will be saved and accessible in the Member Directory.

View Calendar: Club events are all here in one convenient place. This offers members yet another channel to keep up to date with the events of the club.

Member Directory: Click on member directory. Here you will find a listing of all PCYC members. Reach out and email/call/text a member to have lunch. Go for a boat ride.
Meet in Bill's Bar.

PCYC Bylaws and Club House Rules: These are also posted on the membership side of the web site. If you are wondering what the guest policy is, go over to the Club House Rules. Paragraph seven explains the policies by which guests of members may come to the club (badges required) and how many times (max four times) they may come to the club.

Breakfast and Dining Menu: This link and window on the web site will help you peruse the menu before you come to the club.

PCYC Leadership: This link will allow you to get to know who serves as our Bridge and Board members.

Periplus: Current and past months' Periplus editions are on the site as a downloadable PDF for your weekend light reading.

The best way to get to know what is on the web site is to go use it. Click on the links and explore. The Guest side also has some useful links, but that is for another article. If you have questions or suggestions, feel free to email me at Director5@pcyc.org.

I am writing this article on September 14 on a riverboat tied to the bank of the Cumberland River at Dover, Tennessee. Monica and I are on a river cruise with three other couples whom many of you know. You can drive about 200 miles and get from Memphis to Nashville. However, you can take a river cruise using the Mississippi, Ohio, Tennessee and Cumberland Rivers and do it in 450 miles. To anyone who loves boating, this is an easy decision. I have learned more about the civil war, before and after, than I ever knew. Also, we have seen lots of river banks and lots of trees. This is definitely not SoCal.

To say I am out of touch of what is going on in Channel Islands Harbor would be an understatement. What I do know is that two of our PCYF instructors are going to Dana Point this month to take the hands-on training for their US Sailing Level 1 Instructor Certificates. These credentials strengthen our program. This little break for me has been nice but I am looking forward to getting back home and start the preparation for next season. We thank all those who helped us financially to help get us through the season in good shape, and hope you will consider helping again before year-end.

Sea Scout Ship 9201 had some interesting and patriotic activity on September 11. The Color Guard served as flag bearers in Malibu for the annual "ride to the sea." Also that day, Skipper Dave Vlad Bunker arranged a visit to the Coast Guard Air Station.

SUMMER SLAM 2022

Well, we are approaching October and we are still in prime fishing season. The swordfish, tuna and marlin are still behind our local islands. It's also the time that rock fishing turns on. There is great lingcod fishing out there. Just find a rock pile and you should be on some fish.

The weather in October is sometimes the best. We will see you on the water! Let's get out there and have a great time!

Registration for CPR / BLS Seminar - October 15th

Whether you are a caregiver for a family member or a health care provider & first time grandparent like me- this seminar is incredibly important and could ultimately save a life.

In fact, just recently- a visiting guest at our club suffered a serious medical emergency. Fortunately, our staff immediately called 911 and thankfully the ambulance & fire department showed up quickly. Most importantly, our guest is ok. But this is just another sobering reminder of how important it is for everyone to know the simple basics of CPR. In fact, I am more aware now than ever that most of our 400 PCYC Club members are not trained in CPR & sadly don't even know where our AED (Automated External Defibrillator) is located in case of an emergency.

The \$45 registration fee includes training in CPR, AED use and choking for adults and infants. This course is offered in a hybrid format...

Part One is completed online via user friendly training videos followed by a brief online exam. Part Two is a hands-on group skills session at PCYC supervised by our expert & always amazing CPR instructor, Mark Fonseca on Saturday, October 15, 2022 at 10AM. This session should not last more than 45 minutes after which all registrants are issued a CPR card with a 2 year certification. And I assure each and every participant that Mark will make the CPR Seminar educational & fun.

So please call the PCYC front desk and make your reservations where we will forward you the online link and password for Part One of the CPR course.

And please Note: PCYC now has a 72 hour cancellation policy...

Mark's time is invaluable as he is doing our Club a huge favor by traveling long distance & missing his daughter's weekend soccer match. Therefore, there will be no refunds issued after 10:00AM Wednesday, October 12th. Thank you and hope to see you all on October 15th and Happy Fall!!

A Regular Membership in good standing shall entitle the holder and his or her spouse, registered domestic partner or co-habitant, (as defined by the Board of Directors and approved in the Membership Application and Membership Agreement collectively referred to herein as "co-applicant") the right to use Club facilities, fly the Club Burgee and to vote and hold office provided that only one (1) vote per Regular Membership may be cast and only one (1) person per Regular Membership may hold elected office at any one time. Such Regular Membership shall entitle immediate family members, as defined by the Board of Directors, permanently dwelling in the same household with the Regular Member, to use the Club facilities.

No co-applicant or Regular Member, approved for membership by the Board of Directors, shall be disqualified by reason of the termination or transfer by the holder of the membership under which they receive Club benefits, from completing a term of office in the Club to which they were properly elected by the membership, provided that they purchase a membership in their own name within twenty (20) days of the event that would otherwise trigger termination of their membership rights.

Requests for Cruising Membership Status shall be made in writing to the Board of Directors and shall state the duration and locale of the planned cruise. Intermediate Membership shall cease when the person reaches forty (40) years.

An Intermediate Membership may be converted to a Regular Membership at any time, before the fortieth (40th) birthday, after completing the membership process, with the approval of the Board of Directors, upon payment to the Club of the current applicable initiation fee, monthly dues, and processing fee. A Regular Membership that results from the conversion of an Intermediate Membership may not be transferred within one (1) year of such conversion.

5.7 Associate Members shall be those persons over the age of twenty-one (21) years but under the age of forty (40) years, who contractually agree to abide by the Club's Bylaws, Rules, and Procedures who have been elected to Associate Membership by the Board of Directors. Such members shall be entitled to all the benefits of Regular Members but shall be exempt from payment of dues, minimums and assessments. Such memberships shall revert to Regular Memberships when transferred from original recipients.

5.10 Each member in good standing shall be furnished a membership card annually. The membership card shall show the membership number, status and flag rank of the member, if any, and shall be used when visiting reciprocal yacht clubs.

Article 6 - Election of Members

6.1 Application and Agreement for Regular, Intermediate, Associate or Junior Membership shall be made in writing and submitted to the General Manager or his/her assistant, and the Secretary, to be sent to the Board of Directors prior to the Board Meeting. These forms, designated by the Board of Directors, shall be accompanied by payment of the initiation fee, and processing fee as required by the Board of Directors for each class of membership and as may be adjusted by the Board from time to time. Applications and Agreements that are incomplete or contain misleading information may be deemed as not acceptable.

6.2 Each application for membership must be signed by the applicant and co-applicant, if any, and by two (2) Regular Members as sponsors, except that a transferring member may not sponsor his or her assignee. A co-applicant shall be a spouse, registered domestic partner or co-habitant of the applicant for Regular Membership as defined by the Board of Directors.

6.3 The General Manager or staff shall notify all members of the Club of the names of prospective members. Such notice shall be by means of a special posting.

6.4 Applications for membership shall be considered on a first-come-first-served basis by the Board of Directors at the next Regular Board Meeting, which is not sooner than ten (10) days following the aforesaid notification of members. Completed applications submitted by eligible persons shall be granted membership by the Board of Directors unless the membership limit has been reached.

6.5 No person shall be disqualified from membership on account of race, color, religion, gender, sexual orientation, national origin, marital status or the presence of any handicap.

6.6 A unanimous vote of the Board of Directors shall be required to elect or renew an honorary membership.

6.7 The Secretary shall notify each new member of his or her election to membership, and of the membership number assigned. Membership numbers shall be assigned consecutively in the order in which the members are approved. Terminated membership numbers shall not be reassigned. Membership numbers shall not be transferable. Membership numbers, with the lower number having seniority, shall determine seniority among members in the Club.

6.8 If the membership limit has been reached, the Secretary shall maintain a waiting list of qualified applicants.

6.9 Any Club roster or list, furnished or published, is for the private use of Club members and for Club business only, and shall not be used for any commercial or business purpose whatsoever.

Article 7 - Transfer of Membership

7.1 Transfer other than those provided in 7.2:

No membership may be transferred without the express consent and approval of the Board of Directors and satisfaction of the applicable terms and conditions of this Article 7 of the Bylaws.

The holder of a Regular Membership which may be transferred under these Bylaws or their executor, administrator, guardian or conservator, as the case may be, desirous of transferring the membership shall notify the Board of Directors, on forms adopted by the Board for this purpose. Such membership shall be assigned to the Club for transfer to an eligible person who has qualified for Regular Membership procured by the assigning holder or by the Club. Such transfer shall require that the assignee pay the Club the transfer fee, plus tax, if any, subject, in the case of transfer to the holder's co-applicant, to waiver by the Board of Directors in its discretion. The assignment or transfer of such membership shall be pursuant to the foregoing and the provisions of Article 6 of these Bylaws and the rules and regulations as established by the Board of Directors from time to time. No transfer of membership shall be approved unless all indebtedness to the Club has been discharged. No Regular Membership which results from the conversion of an Intermediate or Associate Membership shall be approved for transfer unless more than one (1) year has lapsed since the conversion.

7.2 Certain transfers on death or permanent disability:

When a member dies, or, in the written opinion of a licensed physician, becomes permanently disabled and is unable to participate in Club activities, that member, or, his or her personal representative shall notify the Board of Directors of such fact within sixty (60) days of the qualifying event, on forms adopted by the Board for this purpose. A co-applicant of the deceased or disabled holder of the transferable membership, who resides in the same household at the date of the qualifying event, shall have ninety (90) days from the date of the qualifying event to elect whether to succeed to the membership. During this election period, provided that the dues, fees, charges, minimums and assessments are kept current, the co-applicant may continue to use the membership and exercise the rights there under. If such co-applicant elects to succeed to the membership, he or she, after following the necessary requirements herein, shall become the holder of the membership without the payment of a transfer fee to the Club, but shall by such election, become responsible for all dues, fees, charges, minimums, assessments and Capital Fund charges associated with the membership together with any payment required by law to the person or estate of the deceased or disabled member by reason of the transfer. In the event that there is no co-applicant, or the co-applicant does not elect to become the holder of the membership and/or otherwise abide by the terms and conditions of this section, then the beneficiary of the deceased or disabled holder of the transferable membership, if a member of that holder's immediate family, shall upon qualification for membership under the provisions of Article 6 of these Bylaws, succeed to the membership without the necessity of the payment of a transfer fee provided that the required dues, fees, charges, assessments and Capital Fund contributions continue to be paid unless exempted by the Board of Directors. 7.3 Honorary, Intermediate, Associate, and Junior Memberships, as well as Life Member Status, shall not be transferable.

7.4 In such cases where a member's continued participation results in extreme hardship, the Board of Directors may cause a Regular Membership to be transferred to the ownership of the Club, at the member's request. Such a transfer would result in the termination of the membership.

Article 8 - Termination or Suspension of Membership

8.1 All resignations shall be made in writing, addressed to the Secretary.

8.2 No resignation from membership shall be accepted, or shall take effect, until all indebtedness from the member resigning shall have been paid; however, no additional dues, fees, or assessments shall accrue in such cases, subsequent to the time that a resignation notice is filed with the Secretary. The Board of Directors may waive some or all of the indebtedness of a resigning member.

8.3 A member may be suspended by the Board of Directors, in closed session, for conduct injurious to the welfare of the Club. Upon written complaint of one or more Regular Members, the Board of Directors shall investigate the circumstances of alleged misconduct, and if further action is deemed necessary, shall notify both the member cited and the complainant to appear before the Board of Directors. After such a hearing, the Board of Directors may suspend or censure the member, at its discretion. The members shall be notified of the Board's decision.

8.5 A suspended member shall not enjoy the privileges of membership, nor be permitted to vote or serve in any office, until the cause for such suspension has been removed. The Secretary shall notify a suspended member.

8.6 Any member suspended for nonpayment of indebtedness shall be expelled by the Board of Directors, without further notice, if the Club does not receive payment in full of all indebtedness within sixty (60) days of notification by the Club of suspension.

8.7 Any cessation of membership, by death, resignation or otherwise shall operate as an unconditional assignment to the Club of all rights, title, and privileges of such membership, except as may be otherwise specifically provided by these Bylaws.

8.8 The Board of Directors may reinstate a terminated member if the cause for termination has been removed, if not more than forty-five (45) days have elapsed since the termination, and if the membership limit is not exceeded as a result of such a reinstatement.

8.9 The Board of Directors may reinstate a terminated member and restore the membership number of such member, provided that the membership limit is not exceeded as a result of such reinstatement, that the terminated member applies in writing to the Secretary for such reinstatement, and that payment is made to the Club of all dues and assessments subsequent to the termination up to the date of application for reinstatement. No credit shall be allowed for unused credits of any kind.
