Meaning of Periplus

The word periplus stems from Greek, meaning 'journey' and also means a circumnavigation or sea voyage around a coastline. The use of a periplus, or journal, dates back to the second century AD and was a document listing in order, the ports and coastal landmarks, with approximate intervening distances, that the captain of a vessel could expect to find along a shore. In that sense the periplus was a type of log, similar to the modern day ship's log.

We use the term for our Club newsletter since it is the documentation of our travels at the club and offshore and provides a historical record for us to reminisce and share with others. It is our shared and unique history as club Members.

First, Happy New Year to my PCYC family. I know this year is going to go by fast, but I am looking forward to enjoying all the fun that I am sure will come.

Probably one of the first things you thought when you opened this edition of the Periplus was wow, this looks different. The next thing you may have said to yourself is "Why?".

The Periplus historically was a newsletter generated by the members for the members. But recently we have delegated the production of the Periplus to our staff. This is not to say that we lost anything in quality. As a matter of fact, both Madi and Roman before her did a fine job every month and I thank them both.

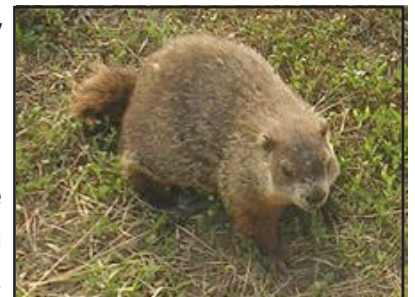

I was the editor back in 2011 and have always wanted the membership to take back ownership of the Periplus. So in that spirit, this document has been entirely produced by the membership. If you have any comments or improvements, or you would like to be a part of the Periplus Committee, email me at johnwgaddis@gmail.com. Thanks!

On Saturday January 18th, Fleet Captain Sail Connie Sedacca hosted a sailing round table for cruisers and racers. I was a little disappointed by the turnout because I get many requests by members for adult sailing classes.

You don't have to own a sailboat to learn to sail at PCYC. As most of you know, the club owns a sailboat named Selavy that any member can learn to sail on. There's no better way to learn to sail or just have fun on the water than to crew with Bill Schneberg during the TGIS series races. Last month, PCYC had three boats for the first winter race and I'm told there is always room for more boats or crew. For more information, contact Connie (nautiluscovers@nautiluscovers.com) or Bill (wschne@west.net).

It should be no surprise that February is one of my favorite months. With all the parties that we have here, I have always wondered why one holiday doesn't get the recognition it deserves. I refer, of course, to Groundhog Day.

Groundhog Day proponents state that the rodents' forecasts are accurate 75% to 90% of the time. However, the National Climatic Data Center reports that the overall prediction accuracy rate is around 39%. But that's no reason not to have a party. For instance, why not celebrate Groundhog Day with Wine Wednesday. In my opinion, we should all raise a glass to the coming Spring and the rodent that predicted it.

Happy New Year to everyone,

Money and Investments Group. This month PCYC will launch a monthly informal Saturday morning discussion group around investments and money in general. I have some “former life” background in this area and will organize and facilitate, but the sessions won’t be a lecture series but rather interactive, collaborative learning exercises. The group will develop topics of interest and chart its own way.

Our initial meeting is scheduled for Saturday January 25 in Bill’s Bar. We will meet from 10:00 to 11:30 am and will target the third or fourth Saturday of the month for future sessions, navigating our way around major club events. We will review and discuss web-based resources, so bring your laptop or iPad if you have one, and if convenient. If not, I will always bring mine and project to the large TV screen.

I hope to name this monthly gathering “Café Corinthian,” and have us all enjoy the espresso machine which I am assured will be arriving soon. Perhaps we will also add croissants or bagels. We’ll see where it all leads. Look forward to seeing some of you there on the 25th.

House Committee. By the time you read this, our PCYC House Committee will have had its organizational meeting for 2020. I will share its broad priorities with you next month.

Finance Committee. Our new Finance Committee held an initial meeting early this month, and has a full agenda starting with the annual Budget which is especially challenging this year because many of our costs are rising quite rapidly. We also hope to streamline our financial reporting workflow and the way that financial reports are formatted. I’m pleased to have a Committee of committed Club members, all with significant financial resumes.

Regards,
 Werner Keller
 Vice Commodore/Treasurer

It's about the time when the winter doldrums seem to hit. The days are shorter and colder. But it's February and we have some great events planned to wipe away those winter blues.

Once again we will party on **Super Bowl Sunday** in Bill's Bar with food and drink specials. Wear your team colors. If you're not a football fan just come and join the party.

Ladies Who Do Lunch will have the first luncheon of the year on February 13th . Details will follow. This is a good opportunity for the ladies of PCYC to mingle and welcome the newer ladies of PCYC. Thank you to Pam Miller for chairing the committee and to all of you who have volunteered to help!

February 14 th is **Valentine's Day**. So what better way to spend the evening, than in the city of romance, Paris for **"toujours l'amour"**. We will have a special Valentine's Day menu, music and dancing. Coming in March we have **Saint Patrick's Day** with a special menu.

Happy Hour will continue through the year on the second Saturday of the month with food and drink specials.

I look forward to seeing all of you!
Ilene

As we enter the second month of 2020, I would like to remind you of a very important Clubhouse Rule, #22 on Name Tags, we call "Badges". Members and Guests are required to wear their nametags whenever they are in the Club. These nametags are filed numerically by member number. Lost or missing nametags should be reported to the Club Manager or Front Desk.

The primary reason for wearing nametags is to enable our service staff to easily identify members' Club account number when ordering food or beverage, for billing purposes. Equally important is to insure that individuals who are being served in the Club are, in fact, members or guests of members. Please wear your badges and make them visible to all.

We have some great events scheduled for February, mark your calendars for the following:

- ✿ Sunday February 2, Super Bowl Party in Bill's Bar
- ✿ Wednesday February 5, Wine Wednesday
- ✿ Saturday February 8, Happy Hour in Bill's Bar
- ✿ Sunday February 9, TGIS Winter Series Race #2
- ✿ Thursday February 13, LWDL Luncheon
- ✿ Saturday February 15, Landlubbers Day Trip to Santa Cruz Island
- ✿ Friday February 21, Quarterly Meeting
- ✿ Friday February 28 to Sunday March 1, Cruise to Ventura Yacht Club

Cheers!

Pacific Corinthian Yacht Club **FIRST QUARTERLY MEETING**

FRIDAY, FEBRUARY 21, 2020 6:00PM

Please consider attending this important meeting and afterwards, we invite you to dine in the main dining room for regular dinner at 7:00 PM!

PCYC BOATING

The sailing year started with the first of the Winter TGIS Series sponsored by PCYC on Sunday, January 12. Connie Sedacca and Scott Harrison managed the race. Seven boats participated and three were from PCYC. They were David Romano’s RBoat, Randy Dickinson’s Mahalo and PCYC club boat Selavy skippered by Bill Schneberg. It is important to note that Selavy came in a clean second in a field of four. The next race in this series will be February 9.

Marc Morris has prepared an exciting cruise schedule for the year. The first cruise will be all the way to Ventura on February 28. Ron Dreher will be scheduling a whale watching tour before then.

Pacific Corinthian Youth Foundation

We are proud to announce that Tom Danza and David Poulsen have joined the PCYF Board. These are great additions. The first of the four two-week sailing sessions begins June 15, 2020

Thank You From St. John's Breast Care Center
Zaragoza, Alicia - SJRMC

Good morning Pam,

I hope you had a beautiful holiday.

On behalf of the Cancer Center, the patients, and Cancer Committee I want to thank you and the Women of the PCYC who do lunch and choose us to give the gift of life, love, and happiness facilitated by your generous donations.

It truly is a gift what you do, to bring smiles, tears of happiness and love to women and men affected by Cancer, specifically all my dear breast cancer patients.

I don't know what we would do without your support, all the wigs, bras, prosthesis, hats, scarfs, and all other accessories provided with the monies you donate.

Wishing you and the PCYC women have a prosperous, healthy, and peaceful New Year "2020"!!!

Sincerely,
Alicia Zaragoza
