# Commodore's Report - Jack Skidmore

The summer months is starting off with a great opportunity for fun. The Saturday Happy Hour is great time to enjoy the Club and take advantage of our beautiful location. We are interested in your input to make these special so please feel free to enter your ideas in our suggestion box (located by the front desk).

The 4th was a great time at the Club with live music, games, water craft activities and good food topped by great fire works.

The young sailors are active on the water this year. PCYF has taken many of our children and grand children to the waters to learn safe sailing. There are 4 sessions this year and all well attended, if you have young ones that are interested please check our PCYF web site for more information.

If you haven't tried our new breakfast menu this is a great time to do it. The comments have been very complimentary and of course the setting is beautiful.

## Some Thoughts about Politics

Here we are, a full 18 months before the next election and the political debate is already front and center. Almost deafening.

Everyone I know has fully analyzed what's wrong with the Country, and what needs to be done to fix it. We live in highly charged times and all of us have opinions.

I want to take a moment to remind us all that Pacific Corinthian Yacht Club is a private club founded on long-held traditions. Two of these are the highest level of mutual respect, and an unquestioned right to privacy.

It's certainly not my intent to coach you on your private dinner conversations, but I want to remind you that PCYC cannot ever be a place where a member is made to feel uncomfortable by someone voicing strongly-held beliefs in a public setting. Although we are still a long way from the 2020 elections, the political landscape will continue to be polarizing. Right there with the upcoming NFL football season.

I appreciate your understanding.

Looking forward to seeing you at the Club.

## 3rd Quarterly Meeting

**Friday, August 23rd @ 6:00**

**Main Dining Room**

*Join us for this important Club meeting to catch up on what's going on in your Club, and afterwards around 7:00 PM, we invite you to join us for regular, off-the-menu dining in the Main Dining Room; reservations can be made via the Front Desk or hostess*

# Vice Commodore's Report - John Gaddis

## EIGHT BELLS

The practice of using bells stems from the days of the sailing ships. Sailors couldn't afford to have their own time pieces and relied on the ship's bells to tell time. The ship's boy kept time by using a half-hour glass. Each time the sand ran out, he would turn the glass over and ring the appropriate number of bells. Each ship "watch" was four hours, or eight bells, in length.

The sounding of a ship's bell is a powerful reminder of the traditions rooted in long-held maritime traditions. As many of you may know, the tradition of Eight Bells pays respect to deceased mariners and signifies that a sailor's

"watch" is over. It is with this tradition in mind that PCYC honors George Milder, who passed over the bar on July 6.

I enjoyed working with George this year on the Board. He had a very keen mind and always seemed to ask the right questions. During his eulogy, the cantor said that "absence is the presence that is always felt". Like many of my PCYC family whom I have known over the years, I will miss his presence on the board and always feel his absence. Donna and I hope the best for Linda and the rest of George's family.

## Rear Commodore's Report - Mark Case

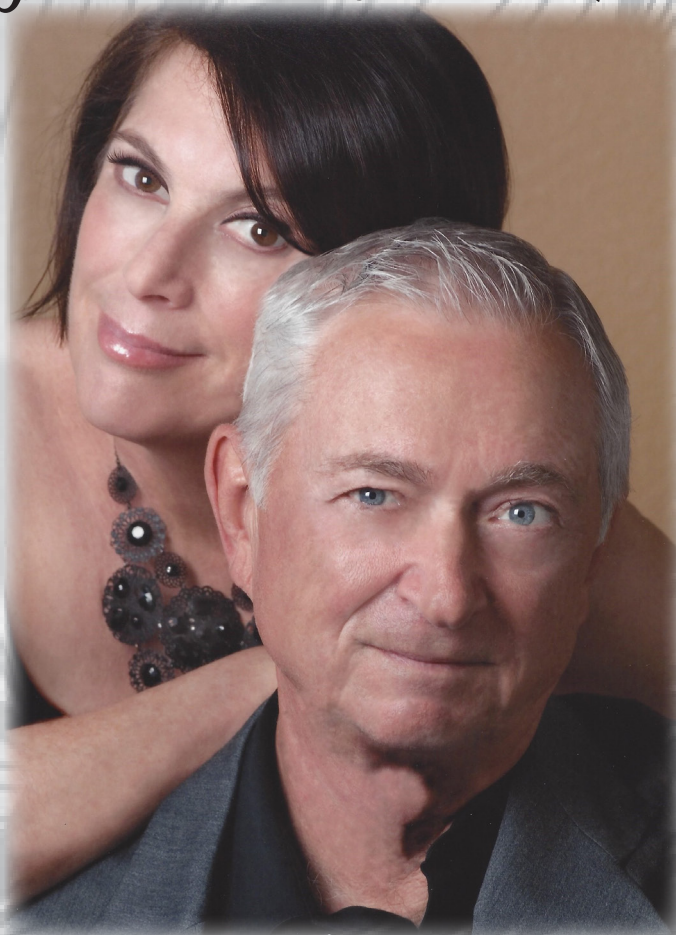

July was another wonderful month at PCYC. The weather cooperated for a beautiful 4th of July which ended with an excellent fireworks show.

Ladies who do Lunch has provided us with new umbrellas and chaise lounges cushions for the pool and new pillows and a throw rug for the patio furniture outside of Bills bar.

August is going to bring us a luau so break out your grass skirts, sarongs and Hawaiian shirts.

I would like to take this opportunity to thank all of our volunteers. With out our hard work we wouldn't be able to enjoy the club like we do.

## Fleet Captain's Report - Tom Shideler

This was a goodyear for our sailing camp. Three of the four sessions were filled to workable capacity. The PCYF Board pitched in with both administrative and physical work to make the program successful. Head Instructor, Mary Toomey, organized a competent staff who provided a great combination of sailing instruction, teamwork training, discipline and fun. If you have not visited the Club while the students are launching their boats, rigging them and getting underway, you have missed a fun experience. Sea Scout Ship 9201 has been very helpful supporting the program as they learn their own boating skills.

I think we have done a fairly good job in catching up with some of our storage and maintenance issues this season, but we have more to go. Launching, rigging and unrigging a boat thirty-plus times during the summer is great training for the students but does require maintenance effort, and expenditures. Our thanks go to non-PCYC members Robert Chatenever and Mike Patterson for helping us with much technical support. The annual end of season PCYF awards dinner will be Sunday, August 11.
