Commodore's Report - Jack Skidmore

The 2019 Yachting Season is officially open. Yes, the harbor is clear of ice and it remains in Bill's Bar. Hope you were able to attend another great Opening Day for PCYC. Many thanks to our members who provided the talent and hard work for this event.

Your beautiful Club on Opening Day (Photo courtesy of Tracy Lehr)

Our theme for this year was 'Fun on the Water', so please take advantage of the opportunities afforded to our members and their guests. Few clubs have the water equipment and amenities that we PCYC does. You can take our electric boat, *Cutie*, for a trip around the Harbor with friends and family. Or if you like more sea air, consider taking out our sailboat, *SéLavy*. For fun and fitness, check out our paddle boards, hydro bikes or kayaks. If you haven't been checked out for operating either of our boats, please call the Front Desk so appropriate arrangements can be made.

Of course with the summer season coming upon us, we have opportunities for our youngsters to participate on the water via the Pacific Corinthian Youth Foundation (PCYF) sailing program. This is a great way to introduce your children, grandchildren, or other young family members to boating. We also have scholarships for children you know who may be interested, but cannot afford to attend. Please contact the Front Desk for more information on this valuable program.

Enjoy all that your Club has to offer. Let's have Fun!

Vice Commodore's Report - John Gaddis

OPENING DAY WAS GREAT

Opening Day turned out to be one of the best ever. The weather was spectacular as there was plenty of sunshine and warm temperatures. There was a slight wind, but all in all, it was very pleasant. The Bristol Boats on the dock looked great, and all of the owners of the ships were very happy to have visitors on their boats.

I had just returned from Harbour Island Yacht Club's Opening Day. It was the third one of the day after also going to Ventura Yacht Club's and Pierpont Yacht Club's Opening Day, but as any staff commodore will say, you get your second wind when you come home to PCYC. The decorating committee did a fantastic job of making the clubhouse look great for the membership and our guests. I got many compliments from visitors from other yacht clubs regarding how great the club looked.

The Opening Day event was for the most part a wonderfully traditional experience. Kathy Smith has been working with all of the participants since February getting us to learn our lines, where to sit, and when to salute. Her hard work with all of us to make it a memorable opening day is recognized and appreciated.

Once the Opening Day festivities were ended with a champagne toast and a cannon salute, everyone headed into the clubhouse. Waiting for all of us was a delicious buffet dinner with Theresa Russell and her band for entertainment. Again, I would be remiss if I didn't compliment our kitchen, wait, and bar staff for their fine work. And while I'm at it, everyone involved on the committee to make this the great event it was deserve all of our thanks. It amazes me every time I'm at the club how alive the volunteer spirit is at PCYC.

HOUSE COMMITTEE REPORT

I hope you had an opportunity to see the new canvas on *Cutie*. It was important to the committee that the canvas reflected the PCYC colors and not the previous blue color. I would like to thank S/C Connie Sedacca and her company for doing such a fine job. Next, we are replacing the batteries in *Cutie*.

With one third of the year complete, I am proud to announce that we are one third of the way done with the massive list we have been working with. It could not have been done without the partnership we have with Club staff and our committee members. I am very proud to be a part of this great group.

Want to get in on the fun? Come to our next meeting on March 14 @ 6:30pm

Rear Commodore's Report - Mark Case

I am sure you can all agree that PCYC's Opening Day 2019 was spectacular! Thank you everyone who worked so hard to make it such a great day. We especially would like to thank those who were kind enough to bring their boats for everyone to enjoy as well as providing delicious food and drinks. This year, David Paulsen took fantastic footage of the Club's Opening Day with his drone, which can be seen on the Club's Facebook page. As you watch it, along with music, it provides a spectacular aerial view of our Club. Thanks, David, for this remarkable footage. I would also like to thank Doris Melilo, Rick Eberst, Tracy Lehr, and Ron Dreher for their photos from Opening Day, as well as Madeline McPhail for taking photos of the Blessing of the Fleet. All great photos which you can see on our website. At all our events, we always have great photos taken. Our photographers volunteer a lot of time to photograph these events, so

please thank them when you see them taking photos at your next event.

The Ladies Who Do Lunch theme was "April in Paris" by Claudia Paulsen and Carrie Jones. It was a great success, thank you both for all your hard work. The room was beautifully decorated and ladies arrived in fancy hats and sipped French martinis. Everyone enjoyed our very own Laura Cook who was the speaker showing slide shows and talking about adventures one can have in Paris. Thank you to everyone who donated and helped make this such a successful and great event.

Our next event coming up is the Cinco De Mayo party on Sunday, May 5th. Come dance to "Vic Moranga Trio" band and enjoy the buffet and \$5 Margaritas!

In General - Don Meyers

With the weather warming up, I want to remind all members to please make reservations in advance for all on-the-water equipment. This will help ensure the equipment is ready upon arrival and provide our staff the time needed to get the equipment down to the dock.

We are looking into offering aqua aerobics classes to our members and would like to get some feedback. If this is something that interests you, please contact myself at 805-985-7292 or email gm@pcyc.org.

The Food & Beverage Committee has recently completed updating the Bill's Bar and the Main Dining Room Dinner menus. They have also made a few changes to the Happy Hour menu as well. The plan going forward is to update the menus seasonally. If there is something you'd like to see on the menus, please let me know and I can bring it to the Food & Beverage Committee for discussion.

Jr. Fleet Opening Day Recap - Director April Williams

In March, PCYC's Junior Fleet celebrated their very first Opening Day. Younger boaters were paired up with skilled sailors from the Pacific Corinthian Youth Foundation and the local Sea Scouts for an on-the-water boat parade. It was a very special day for all those who participated!

Nothing thrills us more than witnessing our youth develop a love for the sea and this year we want give special notice to our very first Honorary Junior Fleet Bridge Officers:

Junior Fleet Opening Day! (Photo courtesy of April Williams)

Lawna Noble - Junior Fleet Commodore. Lawna started the sailing program at 8 years old and progressed each year until she earned the point 5 position. Her subsequent move to Palm Springs gave her the opportunity to take ROTC through her high school as well as weekend camps with the Sea Cadets. Her goal is to one day be part of the Navy or Coast Guard. She's had the honor of crewing the infamous Cheerio II when it took 1st place at the McNish Classic's 40-year anniversary yacht race. Her love of the sea is thanks to the sailing program.

Mandy Easily - Junior Fleet Vice Commodore. Mandy grew up on the water. She is an avid boater who's been known to taxi around harbor residents in her Boston Whaler, Cookie Crumb. She loves Junior Life Guards, fishing, and is an excellent ambassador of the water activities this club promotes.

Max Neftin - Junior Fleet Rear Commodore. Max is another of our accomplished PCYF sailors. He has been sailing since he was 8 and has raced in local Regattas. Kind and courteous, Max is a true friend on the water. He also has a black belt in Karate, so he's a good friend to have!

Donya Neftin - Junior Fleet Officer. Donya is another of our up and coming PCYF sailors. She loves her two pugs, traveling, and is a talented artist. Donya has a bright future and we are delighted to see her grow.

Garrett Radke - Junior Fleet Officer. Garrett learned to sail at 9 and has been boating his entire life. He is in the 4th grade where he enjoys studying math and science. Garret loves animals and never saw a dog he didn't want to pet.

Every year since 1992 the Pacific Corinthian Youth Foundation has offered a Summer Sailing Program, which could not happen without the financial support from grants and donors. Denny's Port Hueneme and Denny's Ventura is matching donations raised by PCYF. Please contact April Williams to coordinate your donations with this awesome promotion. PCYF needs you!

Summer Slam 2019 - Fleet Capts. Fishing Mike & Gina Haase

Hello fellow Anglers!

It's May and everything is starting to happen. The white seabass have been popping up on the squid beds at Santa Rosa and around Yellowbanks in the kelp. There is some yellowtail at the west end of Santa Cruz. There have been halibut caught both at Santa Rosa and Santa Cruz on anchovies and squid if you can make it. The rock fishing has been off-the-charts awesome. The new depth limits open up a lot of new areas.

The Summer Slam captains meeting will be May 11 at 3:00 p.m. in Bill's Bar. Everybody is welcome and we look forward to some of the new members joining us this year. If you have any questions about the rules or the tournament, please give me a call at 805-432-3006

See you on the water!

Fleet Captain's Report - Tom Shideler

We had a great display of Bristol Boats for our annual Opening Day on April 6. Presenting their boats were Dick McNish with *Cheerio II*, Ron and Carol Peterson with *Kodiak*, Robert and Angie Alexander with *Daddy Rabbit*, David and Claudia Paulsen with *Against the Wind*, Bryan and Shawna Nelson with *Nice Dreams*, Marc and Michelle Morris with *Forty Something*, Ron Dreher and Natalie Dobkowski with *Islander*, and Keith and Arlene Beckwith with *Tiki Bar*. The next morning, *Forty Something* carried our Bridge Officers in the annual Opening Day Parade with *Against the Wind* and *Nice Dreams* participating in the parade. Thanks go to Craig and Kathy Laidig with *Argonaut* for serving as Turning Boat stationed in front of PCYC.

The weather was beautiful for the annual McCune Memorial Race on April 13. Nine boats participated but the wind did not. After several windy days in a row, it almost stopped. Nevertheless, it was a fun day with great response. Yolie McCune sailed aboard *Rumbylowe* with skipper Doug Russell and his crew.

Bill's Bar post race awards, Bill Schneberg and Doug Russell with Yolie McCune, and Sélavy's Crew (Photos courtesy of Madi Schmader)

Ron Dreher has started whale watching excursions with his boat *Islander* as leader of the pack, and Fleet Captain Power Marc Morris has a boating seminar lined up for April 27. It looks like this may be a good season. Also, don't forget the Memorial Day weekend cruise to Marina del Rey.

Applications are coming in for the summer sailing program. The first two-week session starts June 17 and the last session ends August 9. Mary Toomey, daughter of PCYC members Dan and Betsy Toomey, is our Head Instructor this year. Mary is getting her staff trained and lined up for another great season.

Opening Day 2019 - Kathy Smith

The day dawned with sunny skies and some clouds despite the weather forecasts of rain. Each year there are months of preparation for this one day. I would like to thank everyone involved.

Certainly the Bridge & Junior Staff Commodore need to be recognized for their weeks of work on the script for the event and completing their duties on the dock.

Bristol Boats would not happen if not for the efforts of Fleet Captain Tom Shideler and the hard work of the Bristol Boat owners. It was a beautiful display!

I could not have made this happen without the support, ingenuity, hard work, and talent of Madi and Micki at the Front Desk and Don Meyers our GM. I thank all our staff who set-up, served, and cleaned as well as our Chef and his staff who prepared our renowned pot roast buffet.

Susan Kaufman and her crew did a splendid job streamlining the registration process. From there members and guests were treated to an array of things to buy from our Gear Locker proudly displayed by Vikki Diaz, Denise Christ and helpers.

Our Hosts did a great job welcoming and directing members and guests. My thanks to Steve & Laurie Weiss, Jim & Mary Baldwin, Tom & Sheila Consoli, Vice Commodore John Gaddis & wife Donna, Director Nancy McGinnis and Director April Williams-Yerkovich & husband Rich.

My thanks to our Cannoneers, Doug & Maggie Russell, Marty & Ellen Walsh; to our Port Captain Marsha Landreth, and Al Lorenzen for raising the flags.

The elements of our celebration were beautifully presented with the help of Brad Plunkett setting up the sound system and playing the music, Director Nancy McGinnis doing the Invocation, Boy Scout Troop 234 leading the Pledge, US Naval Sea Cadets presenting the colors and Director Werner Keller leading us in the National Anthem. A lot happens behind the scenes to present our Club at its best. Thanks to Doris Mellilo and her crew for the exterior decorations and for the time and energy it took her crew to complete a myriad of chores around the Club prior to the event. Special thanks to Rudy who undertook so many tasks and answered all the many requests and questions from all of us. Also thanks to Angela Switzky, Michelle Morris and Audrey Keller for the interior decorations. I cannot thank Al Lorenzen enough for the dock seating set-up and labeling of all the chairs. We are thankful and looking forward to seeing all the great pictures that our photographers took.

A big thanks to all the Past and Staff Commodores who have done so much for the Club and continue to participate in what is a very important day for the Club.

So you can see that there are so very many people involved in the production of Opening Day. If I have forgotten anyone, I apologize. My sincere 'Thank You' to all involved. The 2019 Yachting season is open!

Thank you

Membership - Director Nancy McGinnis & Martha Baskerville

Friendly! Welcoming! Inclusive! Enthusiastic! These are the watchwords of your membership committee as we greet new and prospective members who come to our beautiful Club. We are excited to point to our fun activities, spectacular location, and friendly members & staff as reasons why PCYC membership is a wonderful investment in your life as a boating/water enthusiast! We are a religiously, culturally, and politically diverse group of 350+ people, drawn together by love of the sea, who put aside whatever differences they may have to focus on their community and each other. If you are an “experienced” member of PCYC and you spot people

you don’t know, be sure to greet them and introduce yourself. It’s a great opportunity to tell stories from the past about your experiences here at PCYC! This is one way we earn the reputation as a club that is friendly, welcoming, inclusive, and enthusiastic!

The spring season brought several new members to the Club! Two new regular memberships are **DARRELL & KATE THOMPSON** and **JIM & MARGARET RAUBER**. We also had three rejoining members, **GEORGE JACQUES**, **STACY & TYLER MILLER**, and **ADRIENNE & ANGELA STONE**. Another happy occurrence was an associate member conversion to regular membership by **ISMAEL LOPEZ & ANDREA RAMIREZ**. Last but not least was the transfer of Wendy Morrow’s regular membership to her daughter and son-in-law, **STEPHANIE & BRENDAN JANISSE**.

Because there was no membership “blurb” for the April *Periplus*, we also need to acknowledge two other regular memberships, both of whom have jumped right into PCYC activities, **CRAIG & KATHY LAIDIG** and **YVONNE FARRIS**! A warm welcome to all of you!
