Commodore's Report - Jack Skidmore

The summer is going by quickly, and so are the many Club activities. The efforts of our board members have been impressive this year.

Our membership numbers have been consistently improving, and our social activities this year have truly been remarkable.

Most of the comments I've been receiving have complimented the improvements and consistency of our food and beverage options. Hopefully, many of you were able to experience this at the spectacular Luau Party in August. The entertainment and music were great, and so was the food.

Our first ever 1st Annual Raft-up music concert was held on September 14. Our thanks to Dave Barrette for providing the music and to the members and staff for their hard work to put this on. It was a truly memorable event. We accomplished a public event that put PCYC front and center to our harbor and beach communities. All the recent upgrades to our signage and dock decor really highlighted the Club.

Special thanks to our Membership and Marketing committees for a new campaign to invite families and friends who have purchased a property in the area. The program identifies prospective members with a PCYC duck emblem on their badge. So if you see the duck identification, we encourage you to introduce yourselves to prospective members. If you remember the first time coming into the Club, it may have been intimidating as one may not have known many members. But with a little effort, those strangers soon became our friends. Let's do the same for our new potential members and make them feel at home. Again these will be identified by the little duck sticker on their badge.

Looking forward to seeing you at the Club!

Vice Commodore's Report - John Gaddis

House Committee

The committee has been very busy working to replace the tile decking outside Bill's Bar. It has proven to be a very large task as there is so much that has to be considered before we approve a company to begin the work. Fortunately, we have a very diligent committee that seems to be growing every month.

It is my pleasure to welcome David Diaz and Tom Cook to the committee to help us ensure the Club gets the best deck possible. Any other members that would like to have their voices heard are welcome to come to the House Committee meeting on the second Thursday of the month at 6:30 pm.

However, we are still working on the other items on our list. From wood molding in the dining room to repair of damage in the bathrooms, we are committed to ensuring our clubhouse always

looks its best.

Club Communication

It is difficult for me to stress the importance of communication here at PCYC. You are reading this article in the *Periplus*, so you obviously see the importance of it. In truth, every member of this Club has a responsibility to contribute and support the *Periplus*! This can be done by writing an article about an upcoming party or submitting pictures of a past event. This helps us all by being able to plan for upcoming events and keeping up with our PCYC Family. If you have anything you'd like to submit, please let the editor, Madi, know by email at madipecyc@gmail.com. The deadline is the 10th of the month prior.

Another way we get timely information on PCYC events is our Facebook page. April Williams has done a wonderful job keeping our members informed about what's going on at PCYC. If you would like to follow the Club on Facebook, you can do so by going to the PCYC page at <https://www.facebook.com/PCYC.Marina/>. Click the follow button to receive up to date information.

Parade of Lights

Lastly, I want to talk about Parade of Lights committee this year. My wife Donna and many other members are getting ready for this year's event. The theme of this year's parade is "Musical Notes & Holiday Floats." The committee this year is looking into many different ideas for our entry. Donna tells me that there is still room for more committee members to help push us to win this year. If you would like to be a part of this year's event, email Donna at donnaqcs@yahoo.com.

Big News For Fishing - Fleet Captains Fishing Mike & Gina Haase

Hello fellow anglers,

Well, the Summer Slam fishing tournament is over for this year. 2019 has been a great year for fishing, and the leaderboard changed many times. There are still some excellent fishing opportunities out there. The marlin are off Santa Cruz Island, and now we have something new! You may have seen anglers weighing swordfish on the PCYC guest dock. Swordfish are coming in abundantly and in great size. The photos below speak for themselves. This is a very exciting time for anglers!

Fall is also a good time for yellowtail and rock fishing. During the fall season, the water is usually the nicest, due to warmer temperatures. But remember, always watch the weather forecast for those Santa Ana winds...they can be treacherous out there. Be safe!

CG Miller & Cal Miller with their 169 lb & 183 lb swordfish and Gina Haase with her 165 lb marlin, which was released.

Austin Haase with his 21 lb yellowtail, Carson Haase with his 19.5 calico bass, and PCYC member Justin Lotstutter with his 45.25 white sea bass.

In General - Don Meyers

PCYC hosted our “First Annual Raft-Up Music Concert” featuring David Barrette. Over 50 vessels were in attendance, including electric boats, dinghies, kayaks and paddleboards. PCYC members were able to enjoy the music from the upper patio and pool area as well. Overall a huge success. I want to thank members April Williams, Kathy Smith, Nancy McGinnis and Tom Shideler who were on the special committee in charge of putting this event together.

Our members also enjoyed our second Tapas & Wine Tasting event of the year, with over 70 different wine varietals to taste and various food stations chosen to compliment the wine selections. That night we also explained the details of our upcoming PCYC Wine Club. For those of you that haven’t heard about the PCYC Wine Club, I will explain. As a member you commit to two bottles of wine per month-one white and one red-selected by our very own wine committee. Each bottle is not to exceed \$30 cost and is priced at a very small mark up from cost. The Club will also share case deals with Wine Club members with the same small mark up from cost.

If you have any questions or want to become a Wine Club member, please let me know.

Cheers!

Werner and his wife Audrey live in Oxnard, California.

Nominating Committee Report (Cont.) - Jerry Kaufman

Ilene Sheldon - Rear Commodore

Since graduating from Pepperdine School of Law, where Nancy McGinnis was a mentor, I have been involved in the insurance defense industry, specializing in workers' compensation. I have been a partner in my firm since 2005. Since April 2017, I have been the managing partner of the Calabasas office.

Since becoming a partner I have been involved in the management of the office as well as personnel issues. As managing partner of the office, I am in charge of the daily operation of the office including management and business decisions for the firm, marketing, hiring and firing employees and supervision of seven (7) employees.

I am a Certified Legal Specialist in Workers' Compensation and represent several Fortune 500 companies.

Rick and I have been members of PCYC since about December 2013. I have been involved with the PCYC Membership and Bylaws Committee for several years, and currently serve on the Board of Directors as Judge Advocate. I am always willing to help and assist the Club in any way.

We have made many good friends at the club and enjoy socializing, at the club, not only at club events.

I want to see the club continue to grow and prosper.

Thank you for your consideration.

Bill Schneberg - Board of Directors (1 Year Term)

Nominating Committee Report (Cont.) - Jerry Kaufman

Virginia Panossian - Board of Directors (3 Year Term)

PROFESSIONAL EXPERIENCE

AT&T

During her 33 year career, Panossian held executive and senior management positions for Western Region. The focus was on providing technical telecommunications services for business and residential customers. In last assignment, Panossian provided Vice President staff support for 6,000 field technicians. The functions included budgeting, staffing, and development of technical procedures. Panossian led merger teams through 3 major corporate mergers, whose purpose was to identify best practices and create expense reduction opportunities. At Divestiture, Panossian helped establish Western Region Service Management organization for largest business customers. Panossian also led large control centers and central offices in California.

E.O. Anders Realty

Panossian was a licensed real estate agent.

VOLUNTEER EXPERIENCE - WESCOM CREDIT UNION Board of Directors & CEO Compensation, Strategic Planning and Technology Committee Chairman, PASADENA HERTIAGE Member & Docent, PASADENA ANIMAL LEAGUE Member, PASADENA HUMANE SOCIETY Member & Fundraiser, L.A. CONSERVANCY Member & Docent

EDUCATION - B.S., Business Administration Finance - Cal State Los Angeles, Managing Critical Resources - UVA Darden Graduate School, Crafting Winning Organization - Univ. of Calif., Berkeley, Haas School of Business.

Barbara Quigan - Board of Directors (3 Year Term)

Tom and I were active members of Anacapa Yacht Club from 1969 for 10 years. Many of our friends wanted a full service yacht club in the Channel Islands Harbor, and encouraged us to join them at PCYC. So, we left Anacapa Yacht Club and joined as PCYC members, number 283, in 1979.

I joined many committees way back then, in the early '80s, which included the House Committee, Youth Committee, and the Food and Beverage Committee. I currently serve on the House Committee and Holiday Decorating Committee.

Tom and I owned four sailboats. When we got married our last sailboat was a 1972 Ericson 35 (photo in the upstairs Crows Nest).

We raced countless races, from around Santa Barbara Island with some 30 boats (we were first to finish and first on corrected time), From San Francisco to San Diego, around Santa Cruz Island, Anacapa Island, along with many local races.

I attended college at Cal State Northridge, U.C. Santa Barbara and Cal Lutheran College. I have a Masters degree in Education. I earned a Lifetime teaching credential, a Special Education Credential, as a Resource Specialist, I helped set up learning centers in Oxnard schools. I taught school for 25 years. During my last 15 years I helped organize and run a Learning Disability program at Haydock Junior High School.

I love Pacific Corinthian Yacht Club and all of our members. I would be honored to serve you on our Board of Directors.

Nominating Committee Report (Cont.) - Jerry Kaufman

David Romano - Board of Directors (3 Year Term)

I am a retired Electrical Engineer with a BSEE from Wayne State University in Detroit, Michigan. I graduated from Wayne State University in 1968, and I am 74 years old. I am married to Yolanda and have one son and two grandchildren (14 and 16 years old). I worked at Bunker Ramo Corporation, Hughes Space Systems and the Boeing Space and Communications System as a Design Electrical Engineer, Systems Engineer and Subcontracts Technical Manager.

I have had Real Estate and Life Insurance licenses and had employment in both of these fields over the past 40 years. I have significant experience with Stock Market trading (over 20 years of trading stocks and options) and have managed my own IRA funds since 2015 when I retired.

I own a 42 foot Catalina 42 MkII sailboat named RBoat which is kept at the PCYC Marina (C120 slip) as well as an 18 foot electric Duffy named RDuffy kept in a slip at the Coral Island of Seabridge where I reside. I took sailing and navigation classes at private schools as well as Coast Guard stations.

My previous volunteer work experience includes serving as Treasurer for the Sephardic Jewish Community organization in Detroit, Michigan. I have also tutored students in Mathematics and Physics. I am member of two Electrical Engineering honor societies where I have performed some volunteer work while in school at Wayne State University.
