Jerry Kaufman - Commodore

It is time for sailing season to start. It begins with the PCYC sponsored Annual McCune Memorial Race. The race is April 7th. This race was started in honor of Dick McCune, a respected and legendary yachtsman. The love of yachting was a family affair, passed from father to son to grandchildren. I never knew Dick, but I do know his wife Yolie, every bit an active and valued member of PCYC. Yolie has maintained our Family Circle for many years.

The McCune passion for sailing extends to the Pacific Corinthian Youth Foundation. Part of the entry fee to the McCune Race provides a donation to the PCYF. Anecdotally, often the Foundation plays a big role in our member's enjoyment of our Club for their families. For example, a couple of years after we joined PCYC,

two of our grandchildren, Gabrielle and Clay, went to the PCYF sailing camp for a very memorable summer. Three of the McCune grandchildren, John McCune III, Nicholas, and Jacqueline were also in the same sailing camp session. Needless to say, the McCune grandchildren were extremely skilled for young sailors, but they were also kind and fun and helped my grandchildren to learn the techniques required for sailing Sabots and Lasers. Making the summer an even more memorable family affair for us was that grandchildren of long time friends also were at the same camp. Staff Commodore Jim Henry and Kathy had two grandchildren, Shane and Shana, in the program. Also, Staff Commodore Warren Totten and Jane enrolled grandson, John in the same camp session. All of the children had a wonderful summer and all of them have gone into adulthood as successful people, and we proudly mention that John McCune III is serving in the Coast Guard.

Be sure to read the Periplus for information about signing up for the Summer Sailing program and please remember to make reservations for PCYC social events, dining and other activities.

NOTICE AND CALL FOR NOMINATING COMMITTEE APPLICANTS

A Nominating Committee is very important to any volunteer organization. It is the responsibility of this committee to ensure that we nominate to leadership positions members who will continue the success of our Club. The basic qualifications for serving on this committee are listed in SOP 11.10. This document is available at the Front Desk

Please consider serving in this very important role. You must not have served in the past two years. Submit your application to Secretary Scott Harrison at rsh.consults@yahoo.com
Thank you,

Tom Shideler, Jr. Staff Commodore

Skip Harkson - Vice Commodore

First, let me thank Sally Brownlow for joining the Membership Committee. She is a great asset to the Committee. We had an Open House March 18th headed by Char Holiday and April 15th hosted by Jan Losey. These are great opportunities for prospective members to see our Club in an inviting setting. There is going to be a sparkly dot on new members name tag. They will be used for about 6 months. It was also suggested that a photo be taken of the new member when they join. The Committee is also looking into incentives for people to join the Club. Co-Chair Nancy McGinnis is working on a membership survey. More to come.

The House Committee met March 14 and we took a tour of the Club inside and out. At our last meeting it was agreed we need to take a hard look at what needs to be done. It was no real surprise that much needs to be done, especially the wall around the Club. A great deal of cracking due to misdirected watering and yes, Mold. Our guest dock wood is rotting. Needless to say, there are a lot of items needing attention both inside and outside of the Club. At our next meeting we will prioritize all of the issues.

Let's Gear Up!

The Gear Locker will offer members and our guests for Opening Day the newest collection of PCYC logo wear. We buy our clothing and gift items at wholesale pricing and bring our members resort quality brands and logo wear at a fraction of the cost that one might find at a local golf club or resort. Gifts of PCYC logo items are always welcome because they are unique - you can only buy them in one place in the world ... right at your very own yacht club.

Wearing our PCYC gear all over town and while you are traveling helps promote our club. We are looking forward to showing you all the cool new items including weather-proof jackets, sweaters and hoodies in sizes from small to 4X.

*Your Gear Locker Girls,
Vikki Diaz & Audrey Keller*

John Gaddis - Rear Commodore

SOCIAL CELEBRATION

We could not have been happier with the club participation for the St. Patrick's Day Social Celebration. The Social Celebration has become a big hit with the membership as we had over 140 people participating. The highlight of the evening was having all of the Birthday and Anniversary celebrants come up to the stage to be acknowledged. I would especially like to thank Jan Losey for trusting us to make Mike's birthday a special one. Check out the pictures on page 11.

Donna has worked very hard to make each of these celebrations fun and unique. I know she is already planning a great Cinco de Mayo party on, you guessed it, May 5th. I hope to see you there as we will be celebrating April & May Birthday / Anniversary with a mouth watering Mexican Buffett with entertainment by Theresa Russell.

OPENING DAY

Spring brings my two favorite seasons, opening day for baseball and opening day for yacht clubs. March has been very busy as many southern California yacht clubs have been celebrating their opening days. While I am impartial to which has been the best so far, the Santa Monica Windjammers Yacht Club and their Brazilian dancers are in the running for my favorite so far. Looking forward to seeing you all at ours on March 24th.

Opening day is a big event at the Gaddis household. Check out my special opening day picture as even Macchiatto is dressed for Opening Day

Opening Day Brazilian dancers at Santa Monica Windjammers Yacht Club.

PCYC WEBSITE

March has seen a dramatic change to the PCYC website. I started working on it after the New Year and it is now ready. I have given the site a more modern format to display all of the great things we do here at PCYC. I would like everyone one to take a look at www.pcy.org and send me any critique or comments you may have.

One issue I had in converting to the new format is that the membership database did not translate over. This means that members need to re-sign up for the membership area. I also lost the links for the calendar so I am in the process of fixing that as well.

John Gaddis
johnwgaddis@gmail.com

www.pcy.org

Brenda Dickmann - In General

What a beautiful club you have. You should all be so proud of this striking club, waterside and street side.

All the Palm Trees in the parking lot, all 22 of them have been nicely trimmed and groomed.

Fresh Plants in the front of the Club are going in. The side yard to the kitchen service area has been beautifully planted with succulents.

The Dock side of our landscaping is growing beautifully and paints a perfect back drop for our Opening Day, which by the way, was absolutely perfect and big thanks to everyone involved.

The camaraderie of you as Club members is inspirational. The amount of volunteers involved in so many different aspects of the club is commendable, thank you. We have had two work parties headed by Doris Melillo and her amazing crew. The Brass has all been polished, walls have been painted, cupboards cleaned and organized and trophies polished.

Rudy has been a very busy maintenance worker; the curbs have been freshly painted red and as well as yellow. Stairwells painted, tiles polished, carpets cleaned just to name a few of the many tasks and chores on the never ending list of things to be accomplished.

Spring time brings in the Easter Bunny! PCYC has the best-in-the-tri-counties Sunday Easter Day Brunch.

The Easter Bunny makes his or her appearance by boat as the kids anxiously await the arrival on the guest dock. Make sure to bring your camera to capture the moment.

Easter egg hunt for the kids, entertainment and Champagne! Call the Front Desk for reservations! 805-985-PCYC (7292). April 1st 2018 from 10:30 am to 2:30 pm.

Do you have family interested in joining PCYC? Are you aware of the different categories of membership for your children? Do you have neighbors or friends that may be interested?

Call the Front Desk and we will proudly give a tour.

Understanding how the front of the house operates is important to overall success of any club or establishment.

Please remember to make reservations. Your reservations help the front desk with the number of guests and any special requests that you may have, which in turn will help the kitchen, dining room staff and provide better service for you. If you need to make any substitution for, allergy, dietary reasons, temperature control, please make your special order request ahead of time (at least one week in advance). When you call the front desk for reservations, be aware of who is taking the reservation for you. If you are making reservations for you and your friends or guest please give their names and food choices. If you wish that no one be added to your table, please remember to make that request. If you request a table and prefer it to be round, please let us know.

We really want you to be proud of your club and enjoy it to the fullest.

Nancy McGinnis & Martha Baskerville - Membership

Your Membership Committee would like to welcome the new members who have joined PCYC in the past few months:

John and Julia Marshall, Derek Duplissis and Kierra Maggie, Thomas and Sheila Consoli, Gerry and Sheryl Hawkins, Thomas and Laura Cook, Matt Epstein and Jane Kaplan, Ron and La Vella Consiglio, Karl Gerber, and Ric Garrison.

We have added some “bling” to their membership badges so that they are more readily identifiable!

Veteran PCYC members are encouraged to reach out

to our newer members and help them learn about all of the advantages of belonging to the area’s Premier Yacht Club!

Are you looking for something to contribute as a PCYC volunteer that values your business skills and experience? Do you miss the days when “saving for a rainy day” was actually chic? Are you passionate about ensuring that your dues dollars stretch as far as possible? If yes, then audit committee is for you!

With only quarterly meetings, email projects, and occasional in person special projects, this committee is responsible for reviewing financial statements, augmenting the accounting staff, and overall “extra set of eyes” our club needs and wants! In addition, if learning how to interpret financial statements is on your bucket list (and why wouldn’t it be!), this committee is for you.

And my special thanks to Kathy Smith, Jack Skidmore and all of the others who helped facilitate the year end mini physical inventory – keeping track of our assets saves us property tax money that can be used elsewhere. Again- who knew audit was so exciting! I did! If you wish to join or have audit committee questions, please feel free to contact me at 661-816-4929 or preferably at donnaqcs@yahoo.com!

St. Patrick's Day Photos

Doris Melillo - Pre-Opening Day Work Party

On Saturday, March 10th, a group of PCYC volunteers got together for a Pre-Opening Day Work Party. They were brass polishers, painters, electricians, plumbers, carpenters, as well as ‘Jacks and Janes of all trades’ who helped prepare our club for the biggest day of the year, Opening Day. They worked hard, made new friends, and enjoyed the satisfaction of a job well done.

Thank you to all the members of this PCYC volunteer ‘dream team’: **Charlene & Mark Case, Sheila Consoli, Adry Ezcurra, Bernard Kummer, Nancy McGinnis, Doris Melillo, Pam & Sparky Miller, Mark Morris, Brad Plunkett, John Praiswater, Yolanda Romano, Angela Switzky, and Bruno & Ellen Tonin.**

Also, a special thank you to **Brenda, Front Desk, Rafael, Rudy,** and **staff** for being very supportive and helping the team make it all happen.

Catherine French - Safe Boating Expo

THE 13TH ANNUAL CHANNEL ISLANDS HARBOR

SAFE BOATING EXPO

SATURDAY, MAY 12TH, 2018
9:00 A.M. to 4:00 P.M.

13th Annual Safe Boating Expo

Bring the entire family for this fun and **FREE** event

Saturday, May 12th marks the 13th year of the Channel Islands Harbor Safe Boating Expo from 9:00 a.m. to 4:00 p.m. at the US Coast Guard Station, 4201 S. Victoria Ave, Oxnard on the harbor's east side.

Choose to boat safely is the theme of this event. The fun starts as soon as you enter with many safety demos, learning the proper way to use a fire extinguisher and flares. You will learn why wearing a life jacket is so important and which type is the best. Also, there will be demos regarding proper first aid, safe kayaking, and scuba diving.

"We want to emphasize the importance of proper safety equipment and one of the most important pieces of safety gear, is your life jacket. Bring in your old worn out life jacket and receive a new one while supplies last. Give the bomb squad your out-of-date flares and earn a discount to buy replacement flares," said Henry Goldman, expo chair.

During the 13th Annual Safe Boating Expo, the public will be able to tour the US Coast Guard 87-foot cutter and a 45-foot emergency response boat. These craft are critical to search and rescue, maritime law enforcement, Homeland Security and of course the highly skilled first responders that we all count on in a marine related emergency.

Thrilling air, sea and fire rescue demonstrations with take place a 11:00 a.m. and 2:00 p.m. by the Ventura County Sheriff's Rescue squad, Channel Islands Harbor Patrol, Ventura County Fire, Oxnard Fire, US Coast Guard helicopter, and Gold Coast Ambulance.

There will also be a variety of agency booths and hands on exhibits including, Ventura County Fire, Oxnard Fire, Navy League, Ventura Sheriff Rescue, Channel Islands National Marine Sanctuary, National Weather Service, Channel Islands National Park, the Red Cross, Coast Guard Auxiliary, Ventura Sail and Power Squadron, Channel Islands Harbor Patrol, National Parks Rangers, the Department of Fish and Wildlife, Vessel Assist and more.

"Each year over 1,000 visitors join in on this fun and informative event," stated Goldman.

To tour the Coast Guard vessels, just sign up on line at www.SafeBoatingExpo.com.

And, for more information call, (800) 704-5620 or online at facebook.com/SafeBoatingExpo.

Kevin Dickmann - Fleet Captain Sail

It has been a pleasure to see Selavy and many PCYC members racing her. She completed the PBYC spring series on March 10th and did well. She placed second in the first and third race. In the second race because of sailing the wrong course, she finished 4th overall. And I can say, sailing the wrong course happens to the best of sailors. In the last race she was first to finish boat for boat, so it will not be long before Selavy and her crew score their first FIRST.

In April Selavy will be sailing in the McCune and the last race of the PCYC TGIS series. If you would like to be part of her crew for either race, please contact Bill Schneberg. The McCune Memorial Race is April 7th and the last TGIS is April 15th.

At the end of last year, David Romano started racing his Catalina 42 – RBOAT. He was new to racing but with his son and cousin as crew, they have been having fun and getting closer and closer to beating Rumbylowe each race. I know David would like to see more fellow PCYC members join him on Sundays for a day of racing against each other. If you see him in the club talk to him and maybe some of his enthusiasm will rub off and you too will be at the starting line.

As I mentioned earlier, in April we have two races, The McCune Memorial April 7 and the last of the Fall TGIS series on April 15th. Check your calendars and plan to attend.

Racing is one reason to leave the dock, but another reason is to go cruising with your fellow club members. Ron Dreher is organizing some whale watching cruising in the area on Saturday, April 14th. Go out for the day looking for the migrating California grey whale, then return to the club for an afternoon drink and dinner as you talk about your great day on the water. Keep your eyes open for emails from the Front desk.

I feel every month I need to thank those who make it possible for us to race, the race committee. Thank you , Ron Dreher for providing the committee boat, Islander. Ron is learning how to start and finish races. Also, big thanks to Joe Vetrano. If you want to spend some time on the water, let us know.

Tom Shideler - Cruising

On Saturday, February 24, thirty-seven PCYC boaters met in the Crow's Nest to discuss cruising. We had a refreshingly dynamic meeting. There was discussion about how times have changed, what works and what doesn't work. One size fits all definitely does not work. Our objective is to provide events that are enjoyed by both power boats and sail boats and those are not necessarily the same events.

The two-week cruises of the past are tough to sell. However, other ideas have surfaced and certainly, some of the ones that worked in the past are being revisited.

Weather permitting, Ron Dreher is scheduling half-day whale watching cruises.

Ron also has set up the Facebook page "PCYC Cruisers, Channel Islands Harbor, CA" that allows our cruisers to easily keep in touch. This ability did not exist in the past and we should take advantage of it.

We have scheduled a cruise to Santa Barbara the weekend of April 20 and another to Marina del Rey the weekend of June 15. More will follow. The ocean is a beautiful thing, and it really is not that far away.

Summer Slam 2018 Fishing Tournament

Tournament: June 1st - September 28th

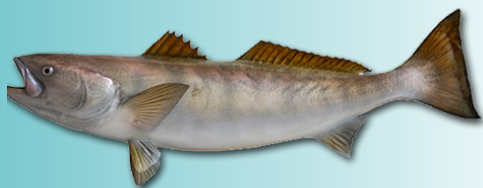

*Applications/sign up located at Front Desk
fill out & include checks made payable to Gina Haase, can be turned in at Front Desk
