## Commodore - Jerry Kaufman

August, or the dog days of summer, is a time to relax on your boat, deck, or PCYC poolside with a good book\* and enjoy this wonderful paradise we occupy. If you forget a book, we have a bookcase full in the hallway across from the gear locker. Don't forget we have a plethora of water toys for you and your guests to enjoy. Finally, we have the second level deck, a great place for a drink, lunch, or dinner. As members of PCYC, we are very fortunate—so enjoy.

The third quarterly meeting is Friday, August 17th at 6:00 PM. One of the things we will be asking is for members to volunteer to serve their club by becoming a board member. The nominating committee, directed by Junior Staff Commodore Tom Shideler, will be meeting soon. PCYC membership is represented by board members in the management of the club and its activities. I have had the pleasure of interviewing many new members during the last three years, and I know the depth and quality of skills they possess. Your club needs your service as a volunteer to help PCYC continue its legacy as one of the best clubs on the West Coast.

It has been recently announced that Mark Sandoval has been appointed as the new Channel Islands Harbor Director. He and other applicable officials recently attended a meeting of the Channel Islands Lessee's Association, wherein the association was assured that the county is yacht club friendly at Channel Islands Harbor. Accordingly, Staff Commodore Jim Jones, chairman of our marina committee, is optimistic that we will soon resume renewed lease negotiations between the marina and the county. Recently, such negotiations were temporarily interrupted when harbor director Krieger retired.

Finally, our new general manager to be, Don Meyers, will formally start his new duties with us the first workday after Labor Day. He has been coming to the club several times per week to meet with Brenda, different staff, and members to get the "lay of the land".

In addition to generous contributions from our members toward gifts for Brenda and Kevin, I would like to once again recognize and thank the team that put together the tribute to Brenda on Saturday, July 14th. They are: Charlene Case who organized the event, Nancy Myers who contributed the champagne for the event's toast, Rosemary Tobin who made custom pillows and a beautiful quilt for Brenda, Karen Lorenzen who selected a gorgeous diamond heart necklace for Brenda, and our talented decorators Monica Shideler and Elaine Bradish. The team was assisted by Jack Schüler, Mark Case, John and Donna Gaddis, Jack Skidmore, and last, but certainly not least, our staff: from the kitchen, bar, main dining room, front desk, and accounting building, all our staff worked very hard to help honor their retiring boss.

Now I'm off to relax and read a book.

### SOCIAL CELEBRATION

Over 130 members attended the sail away party for Brenda this month. I am going to miss working with Brenda and Kevin. Donna and I have worked with Brenda each month to bring the membership the great monthly social celebrations. There will not be a social celebration in August, but we will be ready to go in September with a 70's party featuring the band Mirage, a Fleetwood Mac tribute band. Hope to you you all there.

As sad as I am to see Brenda go, I am just as sad to say goodbye to Kevin. He's been a very important part of the youth foundation as secretary and also just a knowledgeable sailor. He will be missed by everyone at PCYF.

Through all the change, I look forward to welcoming our new General Manager Don Meyers, who will start after Labor Day. I've met him a few times and I'm really looking forward to working with him at the club.

### 2018 PARADE OF LIGHTS

It's time to look forward to the Holiday Season and with that in mind, time to continue the award winning Parade of Lights tradition! I have a hard act to follow as each year has been more spectacular than the last.

I am looking for members that can bring to the committee their ideas and visions to creatively and proudly represent PCYC in our harbor. And please...a boat owner that will allow us to use their boat in the parade is needed and would be greatly appreciated.

Send me an email at [johnwgaddis@gmail.com](mailto:johnwgaddis@gmail.com) to get involved or call me at 661-974-6286.

## In General

*A Time to Say Goodbye*

*"How beautiful a day can be when kindness touches it!"*

*-George Elliston*

*My dear members/friends,*

*As many of you may already know, I will be leaving my position as general manager of Pacific Corinthian Yacht Club this month. While I am so excited for my new journey to start, I leave with a hole in my heart. It's so hard to say goodbye.*

*Saturday, July 14th, 2018 will be a day I will remember for the rest of my life. I am so humbled and yet so honored to have been the recipient of the most fabulous party. Every single detail was perfect: the posters, the plaque, the incredible quilt, the pillows, the most gorgeous diamond necklace ever, the heartfelt cards, and personal gifts. While the event was indeed spectacular, the most important contribution was your presence. Thank you from the bottom of my heart.*

*What you did for me, brought together in one evening, commemorated 15 years of magic. I truly enjoyed coming to work each day; you touching my life, and me touching your life. I truly love each and every one of you. I am thankful and grateful to have you as my friends.*

*Thank you for your gift of love. You put a smile in my heart which I will always wear and cherish. You have my heart.*

*Don't hesitate to come and visit, and let's please stay in touch.*

*Forever grateful,*

*Brenda*

## *PCYC Represented in Maui*

*While vacationing in Hawaii, PCYC member Nancy Myers came across our beautiful red, orange and yellow at a yacht club in Maui by the name of Lahaina. Oh, the places our burgee will go!*

## Summer Slam Update - Mike & Gina Haase

John Fase - 32 lb

Dustin Koehler - 36"

Dustin Koehler - 19.75"

Austin Haase - 46"  
White Sea Bass

Summer is here and fishing is going full speed! Two teams have been battling it out, with some getting lucky, and others still out and trying. Our very own PCYC member, Justin Lostutter, and Brian Haase both have fish on the board. Additionally, PCYC member John Fase had a fantastic catch of his own.

At this time of year, the winds are down and the water is warming up. We are seeing the fish becoming very active. The tuna are up around Catalina, and we are waiting for the first Marlin to show. There is squid at the East end of Santa Cruz and the West end of Santa Rosa. Both are always great places for seabass and halibut.

The season's not over yet, there's still time to make big catches and upset the board. Remember, bring a friend! Let's get more people out on the water fishing! Good luck to everyone, and have a great summer.

## Request for Board of Director Candidates

**Any club member interested in serving on the PCYC Board of Directors, please pick up an application form at the front desk. This is an opportunity to help guide our club through continued years of success. The applications must be received no later than August 15, 2018.**

## Fleet Captain Sail - Kevin Dickmann

July ended with the 41st McNish Classic. Since I am writing before the race takes place, I will be recapping the results in September. What I can say at this time is that we had a good turnout. We had yachts from San Diego to Santa Barbara. We saw Savannah from Santa Barbara return after missing for several years. We had a new boat Valkyrie come from San Diego. If you missed out on the unique shirt designed for each year's race, we may have a few left. Ask the front desk.

As with every event sponsored by Pacific Corinthian Yacht Club, it takes a lot of members' help to make it a success. Joe Vetrano, the PRO for the race, had a team making sure everyone started on time and had their correct time recorded at the finish. Shirt sales were handled by Jan Losey. I will be thanking these members and their teams again next month to make sure I don't miss anyone.

In July, Cheerio II went to Marina Del Rey to sail in the One More Time Regatta, the second race in the California Classic Yacht Series. She won the series last year and hopes to repeat her performance again this year.

August has several area races that are fun, so think about getting a crew together. On August 4th, Anacapa Yacht Club hosts their Wes Golemon (around Anacapa Island). Next, August 11th marks Channel Islands Yacht Club's John Larson Memorial. In addition, August 18th will be Pierpont Bay Yacht Club's Trip Point Ocean (also around Anacapa Island). Last, but not least, August 25th is Channel Islands Yacht Club's Bob Cook Memorial (double-handed).

PCYC's TGIS (Thank God It's Sunday) series starts up again on September 23rd.

This may be my last article, as I am moving up North with Brenda mid-August. However, it will not be the last you see of either of us. I will continue to be part of the Cheerio II crew and visit the club each time we are down.

## *Third Quarterly Meeting*

*Friday, August 17th in the Main Dining Room*

**Meeting 6:00 PM**

**Dinner 7:00 PM**

This is your chance to ensure your voice is heard!

# Cruising - Tom Shideler

On Saturday, June 30th, two boatloads plus a few landlubbers had a great lunch at Margarita Villa in Ventura Harbor. It was a great day to be on the water, or near it, with friends. The weather was perfect. Thanks to **Ron Dreher** for arranging the cruise.

We are scheduling a cruise to Catalina the weekend of Friday, August 24th. Those interested please check out the PCYC Cruisers: Channel Islands Harbor, CA facebook page, or contact me for information or suggestions. We are tentatively planning for Cherry Cove.

Thanks to **Joe Vetrano** for picking up the responsibility of Fleet Captain Sail. Thanks to PCYC's great friend, Kevin Dickmann, for putting so much effort and life into our sailing program the past two years. We shall certainly miss the **Dickmann Duo**.
