Commodore's Report

It was a dark and stormy night. More correctly, it was a rainy and windy day on *Saturday, May 6*, the day before the McCune Memorial Race. The rain continued Sunday morning thus scaring away all but three of the boats planning to participate. One of the hardy participants was our Selavy crewed by Joe Jensen, Bill Schneberg and Sparky Miller. Surprisingly, at race time, a great calm came over the seas showing us one more time that we really are not in charge. Let's say that for the first hour of the race there was little risk of serious collision. Finally, a light wind appeared and Selavy had been smartly placed in position for a straight course to the finish line at Gina platform. Kevin Dickmann and the race committee aboard Diane Landry's Rumbylowe had wisely shortened the course to allow all sailors to return to PCYC before dark for the post-race ceremony. Selavy placed second behind winning boat Fat Tuesday with only a six-minute difference in corrected time. Wai Lani was six-minutes behind Selavy. Below are photos of Selavy under sail during the race. Good job, crew!

Speaking of sailing, on June 19 the first session of the Pacific Corinthian Youth Foundation summer program begins. Here is an opportunity for you to help prevent the brain cells of some young persons you might know from congealing to non-communicative protoplasm by ripping cell phones and note pads out of their hands for two weeks and instead learning an enjoyable skill that will last a lifetime. PCYF can also use your financial support to help provide scholarships for deserving young people. Please contact the Front Desk for more information.

See you at the Club!

Vice Commodore's Report

It has been such a busy Winter and Spring around the Club, here's hoping that the Summer will bring just fun and relaxation. What with all of the chaos: damage caused by severe Winter-weather, vandalism, equipment failures and a large remodeling undertaking, it's a wonder that our Club Manager and staff have withstood the onslaught. We are so lucky to have them.

House Committee: As it is nearing completion we can now begin to enjoy a beautiful dining room. Lighting, painting and paneling are close to being finished. It was an impressive setting for our formal Commodore's Ball. The moveable wall is the one major piece of the project yet to be completed, and that should be done early June.

PCYC is quite elegant and welcoming with our newly installed glass doors and glass side panels. The doors have been deeply etched with our newly designed bullion logo. Unfortunately, while the temporary wooden door was in place our security was not up to par. As a result there was a break-in. Our front door Security Guard, Mrs. Manny Quinn, lost her life while faithfully protecting the front door. We shall miss her.

As you walk toward the Club you will see to the left an unsightly and broken gate. Well, the Ladies who do Lunch are considering replacing it with a classy and more secure one. Thank you LWDL.

Gear Locker: So far, this year the Gear Locker has been a happening place. Vicki Diaz and Audrey Keller have brought in new products and held many successful sales. Please consider shopping there for Father's Day. Also, the Gear Locker now has children's wear that is sure to please. Wearing PCYC gear is a great way to advertise the Club. Your support of the Gear Locker is much appreciated.

Membership Committee: The Membership Committee has declared May the kickoff for their membership drive. However, they cannot do it alone; your help is so very important. Please, please give to neighbors and acquaintances the invitation and free drink card that is now included in each months' bill. Extra cards and brochures that are descriptive of the Club are available at the Front Desk.

Also, please be welcoming to our new members by saying hello to them and consider inviting them to join in at your table. You will know a new member by the ruby colored bauble glued to their membership badge.

Thanks so much to all of you for attending the fun "We've No Business in Show Business" evening. Doris Melillo and Graham Wilson orchestrated one heck-of-an event. (I would like to have just half of Doris' energy.)

Rear Commodore's Report

Social Chair Cindy Walker is continuing our travels around the world with a stop at the Port of Saint Petersburg, Russia. We will meet Saturday, June 24th for cocktails at 6:30PM followed by dinner at 7:30PM Appetizers including smoked salmon bellini, devil egg topped with salmon cream cheese and topped with lump fish caviar. Olivier salad followed by a choice of beef stroganoff, chicken kiev, or salmon coulibiac. As always in addition to a fantastic dinner, the club will have Russian décor as well as music. This should be a great adventure! See you there.

Ladies Who Do Lunch have a great event coming Thursday, June 8th. If you never had an Electric Lemonade you have not lived, it will be the signature cocktail for the luncheon. Just the lunch should be fantastic. The program is awesome. We have Mayor Tim Flynn who will discuss issues facing our Harbor as well as the City of Oxnard. The Mayor will join us for lunch as well. As a reminder to all, we still need donations for baskets.

Summer is right around the corner. The Club has much fun instore for everyone! See you around the Club.

Brenda Dickmann - In General

It's hard to believe it's almost officially SUMMER!

The swimming pool is heated to about 87 degrees. Please come and enjoy the beautiful pool area, remember you may have food and drink service while relaxing poolside. Enjoy the kids playing or some quiet time reading. We are here for you! Bring your towel, some sunscreen and enjoy!

Call the Front Desk if you wish to reserve your Kayak or Paddleboards. Reservations begin at 10:00 am each day the club is open. Bring your life jacket and enjoy the serenity of our beautiful harbor.

Why not a Sunset Cruise on Cutie, the Electric Boat? Call and reserve her for your harbor cruising.

I would like to bring to your attention a problem the club is experiencing. Quite some time ago Rudy and I discovered a burning cigarette in the large planter box located in the alcove just outside the Trophy Room leading to the pool.

Apparently, this burning cigarette had been simmering all day and as the smell of smoke increased so did the burning embers. It took awhile to pinpoint the exact location. The planters all have mulch and bark a disaster waiting to happen. We found the location and doused the plant located directly under the hanging canvas. This plant had to be removed and a new plant planted. This is happening again. Cigarettes are being placed in the planter boxes, not only is it dangerous it is very unsightly. Ash trays are available for use. Please ask your server if you cannot locate an ashtray. Thank you in advance for helping to eliminate the potential for fires.

Just a reminder on the importance of making advance reservation; it is very important for staffing purposes in the Dining Room, Bar and the Kitchen. Without reservations it is very difficult to gauge just how much food to prepare, hence waste and added costs result.

**This also is a reminder when checking Cutie out, please take note of the condition you find her in and she is to be cleaned before the key is returned to the Front Desk. Thank you.*

Our lines are always open, Wednesday through Sunday, for your event reservations. Please take note that when booking reservations for persons other than you, we greatly appreciate a member number and food choice. Also, in order to make the event as enjoyable as possible, we recommend special orders be made at least a week in advance. For clarity and communication purposes, it is best to remember who took your reservations.

Until next month,
Brenda

Doris Melillo - We've No Business in Show Business

Director/Producer: Doris Melillo

Assistant Directors: Graham Wilson and Marsha Landreth

We did it!!! Family Night Dinner and Variety Show, Saturday, April 29th , was sold out.

Under Brenda and Raphael's direction, the incredible teamwork of our kitchen, house and service staff did their part of the evening to perfection. They all performed in unusually crowded surroundings and under pre-determined time constraints; however, their choreography and timing was outstanding. They all danced through it beautifully.

The Italian buffet created by Chef Raphael and his crew was a huge success. Many of our guests went back for seconds.

Our enthusiastic performers entertained our audience members of all ages and made them smile, laugh, and join in for a good time. It was all part of the 'no business in show business' experience.

We'd like to thank these talented performers:

Marge Curley, Jana Danza, Tom Danza, Lauren Diaz, Jerry Kaufman, Alice Kearney, Tom Kearney, Marsha Landreth, Pam Miller, Sam Peck, Susan Peck, John Praiswater, Mary Praiswater, Maricela Santana, Monica Shideler, Tom Shideler, Daniel Skidmore, Alivia Smith, Bruce Walker, Cindy Walker, Laurie Weiss, Steve Weiss, April Williams, Graham Wilson, June Wilson and little ballerinas: Brooke Perry, Autumn Perry, Donya Neftin, Alivia Smith w/mom, Amelia Skidmore, Stella Timpson

We'd also like to thank our production crew:

Terry Allen, Al Lorenzen, Karen Lorenzen, Nancy McGinnis, Jules Melillo, Bonnie Mercadante, George Milder, Pam Miller, Brad Plunkett, Candice Reynolds, Rosemary Tobin

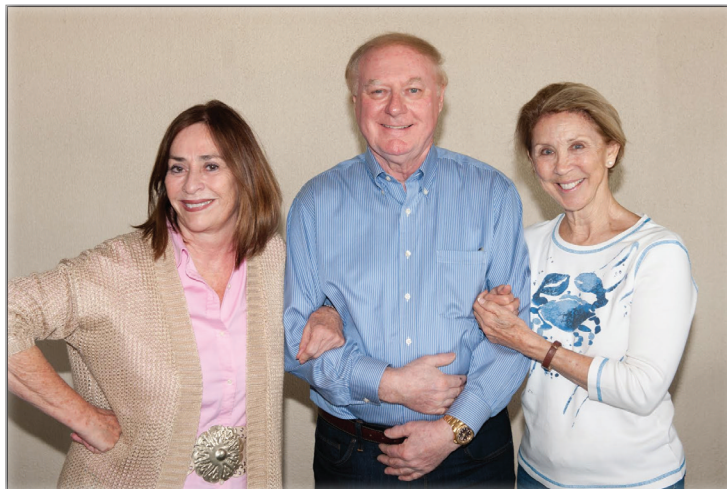

And our telephone crew, curtain crew, and photo op crew:

Linda Allen, Adry Ezcurra, Susan Kaufman, Karen Mahr, Arnita Miller, Nancy Newton, Virginia Panossian, Mary Praiswater, Susie Press (guest), Barbara Quigan, Judi Roussey, Ralph Roussey, Angela Switzky

You should all be proud of your performance.

Graham, Marsha and I applaud everyone with a standing ovation and a thank you from the bottom of our hearts.

We did it!!

Congratulations!

Kevin Dickmann - Fleet Captain Sail

A lot has gone on in the last 30 days. On May 7th PCYC put on the McCune distance race. The weather was making the day questionable. In the end it turned out to be a beautiful day but a lack of wind made for a slow race. The three boat fleet took just over 2 hours to get to the first mark. The race committee shorted the race, so everyone could get back to the club and enjoy the rest of the afternoon at Bill's Bar. Fat Tuesday took first, PCYC's Selavy in her first official outing took 2nd and third was Wai'Lani (is sailed by an all-female crew).

Cheerio II was traveling down the coast to sail in the 70th Newport to Ensenada Race. Due to large seas and no wind, after 9 hours of racing the crew decided it was time to head to the barn. They motored to San Diego. Cheerio II stayed in San Diego for the May 13th Yesteryear Race. She placed 3rd in class and 9th overall in a fleet of 32 boats. She returned home Monday the 15th.

Our next PCYC hosted race is June 3rd the PacCor #2 – VRORC Random Leg. I am looking for a volunteer to help with a committee boat for the day. We will spend the day anchored at Mandalay running up to three races. Please contact me if you would like to help. And if you want to be part of the race committee, we can always use a hand.

Happy boating and see you on the water
